Integrated Financial Planning Services
Notes to Financial Statements
January 1, 2016 to December 31, 2016

1. The financial statements are prepared on the accrual basis. All amounts are in US Dollars.
2. RECEIVABLES – MUTUAL FUNDS COMMISSIONS DUE represent an accrual based on actual commissions earned but not received until the first half of the following month along with an estimate of quarterly 12b1 commissions based on the previous quarter. This accrual is reversed the following month when the actual commissions received are recorded.
3. RECEIVABLES FROM NON CUSTOMERS represent a segregated cash account for the exclusive benefit of customers, short-term receivables (advances) due from registered representatives.
4. OTHER ASSETS represents cash on account with FINRA for exams/registrations of representatives and prepaid expenses such as FINRA Annual Renewal, insurance, legal, and computer services.
5. PROPERTY, FURNITURE AND EQUIPMENT represent purchase prices of computers, cars and office equipment, net of accumulated depreciation. Depreciation is calculated on a straight-line basis using lives of four to seven years.
6. ACCOUNTS PAYABLES represents balances owed on company credit cards for transactions occurring between last statement ending date and year end.
7. SALES REVENUE represents percentages of total investments sales paid of due to the business from investments companies for sales representatives and owner.
8. OTHER EMPLOYEE COMPENSATION AND BENEFITS represent contract labor expense for administrative assistance and commission expense, which consists of approximately 71% of sales revenue attributable to sales by representatives and paid or due to representatives (see Note 2).
9. OTHER EXPENSE represents costs associated with operating the business that are not included in other line items.
10. MISC INCOME - Euro 1080.50 @ .90 = \$1200.56 represents a reimbursement from Allianz Insurance Company July 8, 2016 for taxi expenses incurred during an insurable event.
11. CONTINGENT LIABILITY – we believe that there are no circumstances as of the reporting date that would require the recording of a contingent liability. We are not involved in any litigation as of the reporting date.

Independent Auditor's Report

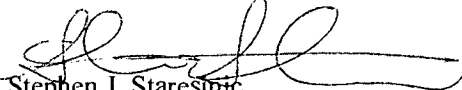

To the President
Integrated Financial Planning Services

I have audited the accompanying balance sheet of Integrated Financial Planning Services as of December 31, 2016 and the related statements of income, changes in ownership equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted this audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used as well as evaluating the overall financial statement presentation. I believe that this audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Integrated Financial Planning Services as of December 31, 2016, and the results of its operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The information contained in the Audited Net Capital Requirements as of December 31, 2016 ("supplemental information") has been subjected to audit procedures performed in conjunction with the audit of Integrated Financial Planning Services financial statements. The information contained in the Audited Net Capital Requirements is the responsibility of the company's management. The audit procedures included determining with the supplemental information reconciles to the financial statements and the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion of the supplemental information, I evaluated whether it, including its form and content, is presented in conformity with 17 C.F.R. 240.17a-5. In my opinion, the information contained in the Audited Net Capital Requirements as of December 31, 2016 is fairly stated, in all material respects, in relation to the financial statements as a whole.

Independent Auditor's Report on Internal Accounting Control

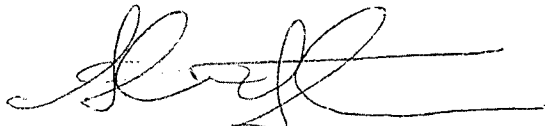

Integrated Financial Planning Services
Karlstrasse 20
69117 Heidelberg
Germany

I have audited the accompanying financial statements of Integrated Financial Planning Services (IFPS) as of December 31, 2016, and the related statements of income, changes in ownership equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and have issued my report thereon. I conducted my audit in accordance with accounting standards generally accepted in the United States of America.

In planning and performing my audit, I considered IFPS's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be significant deficiencies. Under standards issued by the American Institute of Certified Public Accountants, significant deficiencies are deficiencies in internal control, of a combination of deficiencies, that adversely affect IFPS's ability to initiate, authorize, record, process or report financial data reliably and in accordance with accounting principles generally accepted in the United States of America such that there is more than a remote likelihood that a misstatement of the financial statements being audited that is more than inconsequential will not be prevented or detected. Material weaknesses are significant deficiencies, or a combination of significant deficiencies, that result in a more than remote likelihood that material misstatements in relation to the financial statements being audited will not be prevented or detected. I noted no matters involving the internal control over financial reporting and its operation that I considered to be material weaknesses.

As part of obtaining reasonable assurance about whether IFPS's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, I do not express such an opinion.

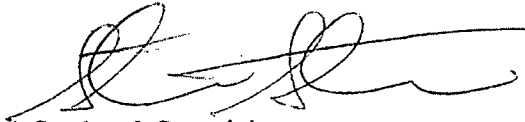

This report is intended solely for the information and use of the management of IFPS and the U.S. Security and Exchange Commission and is not intended to be and should not be used by anyone other than these specific parties.

Integrated Financial Planning Services
Audited Net Capital Requirements
December 31, 2016

Integrated Financial Planning Services is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2016, Integrated Financial Planning Services had net capital of \$53,401 which was \$28,401 in excess of its required net capital of \$25,000, and the Aggregated Indebtedness to Net Capital Ratio was 2.61 to 1.

SIPC Supplemental Report pursuant to SEC Rule 17a-5(e)(4)

Integrated Financial Planning Services
Karlstrasse 20
69117 Heidelberg
Germany

I have examined the SIPC general assessment of Integrated Financial Planning Services (IFPS) for the year ended December 31, 2016 and its reconciliation with financial statements of IFPS as of December 31, 2016.

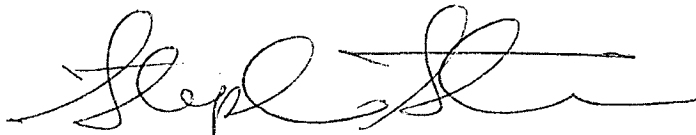

IFPS has an Overpayment Carry Forward of \$ 157 as of December 31, 2016. The Form SIPC-7T was filed on February 13, 2017.

I have compared the assessment payment recorded and its respective cash disbursement and have verified the accuracy the Annual General Assessment Reconciliation (Form SIPC-7) as well as comparing the Form SIPC-7 with the working papers supporting its data and with the working papers supporting the recorded income and other accounts of IFPS for the year ended December 31, 2016.

IFPS has not applied for an exclusion from membership in the SIPC.

In my opinion, the assessment was determined fairly in accordance with applicable instructions and forms and was duly paid.

This report is intended solely for the information and use of the management of IFPS and the Financial Industry Regulatory Authority and is not intended to be and should not be used by anyone other than these specific parties.

Independent Auditor's Report on the SIPC Annual Assessment Required by the SEC Rule 17a-5

Integrated Financial Planning Services
Karlstrasse 20
69117 Heidelberg
Germany

In accordance with rule 17a-5(e)(4) of the Security and Exchange Commission, I have performed the following procedures with respect to the accompanying schedule (Form SIPC-7) of Securities Investor Protection Corporation assessments and payments of Integrated Financial Planning Services (IFPS) for the year ended December 31, 2016. My procedures were performed solely to assist you in complying with rule 17a-5(e)(4), and my report is not to be used for any other purposes. The procedures I performed are as follows:

1. Compared listed assessment payments with respective cash disbursements records entries;
2. Compared amounts reported on the audited Form X-17-A-5 for the period January 1, 2016 to December 31, 2016, with the amounts reported in the General Assessment Reconciliation (Form SIPC-7);
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting adjustments; and
5. Compared the amount of any overpayment applied with the Form SIPC-7 on which it was computed.

Because the above procedures do not constitute an audit made in accordance with generally accepted auditing standards, I do not express an opinion on the schedule referred to above. In connection with the procedures referred to above, nothing came to my attention that caused me to believe that the amounts shown on Form SIPC-7 were not determined in accordance with applicable instructions and forms. This report relates only to the schedule referred to above and does not extend to any financial statements of IFPS taken as a whole.

Independent Auditor's Statement on Material Inadequacies

Integrated Financial Planning Services
Karlstrasse 20
69117 Heidelberg
Germany

I have audited the accompanying financial statements of Integrated Financial Planning Services (IFPS) as of December 31, 2016, and the related statements of income, changes in ownership equity and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934, and have issued my report thereon dated February 10, 2016. I conducted my audit in accordance with accounting standards generally accepted in the United States of America.

In planning and performing my audit, I considered IFPS's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be significant deficiencies. Under standards issued by the American Institute of Certified Public Accountants, significant deficiencies are deficiencies in internal control, of a combination of deficiencies, that adversely affect IFPS's ability to initiate, authorize, record, process or report financial data reliably and in accordance with accounting principles generally accepted in the United States of America such that there is more than a remote likelihood that a misstatement of the financial statements being audited that is more than inconsequential will not be prevented or detected. Material weaknesses are significant deficiencies, or a combination of significant deficiencies, that result in a more than remote likelihood that material misstatements in relation to the financial statements being audited will not be prevented or detected.

I found and noted no matters involving the internal control over financial reporting and its operation that I considered to be material inadequacies.

Report of Independent Registered Public Accounting Firm

I have reviewed management's statements, included in the accompanying **Integrated Financial Planning Services' Exemption Report**, in which Integrated Financial Planning Service ("the Company") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which (1) the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (1) and 2(i) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated in all material respects, based on the conditions set forth in paragraph (k) (1) and 2(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Integrated Financial Planning Services' Exemption Report

Integrated Financial Planning Services (the "Company") is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. §240.17a-5, "Reports to be made by certain brokers and dealers"). This Exemption Report was prepared as required by 17 C.F.R. § 240.17a-5(d)(1) and (4). To the best of its knowledge and belief, the Company states the following:

The Company claimed an exemption from 17 C.F.R. § 240.15c3-3 under the following provisions of 17 C.F.R. § 240.15c3-3 (k):

(i) The broker's or dealer's transactions as dealer (as principal for its own account) are limited to the purchase, sale, and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as an investment company; except that a broker or dealer transacting business as a sole proprietor may also effect occasional transactions in other securities for its own account with or through another registered broker or dealer;

(ii) The broker's or dealer's transactions as broker (agent) are limited to:

(a) The sale and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as an investment company;

(b) the solicitation of share accounts for savings and loan associations insured by an instrumentality of the United States; and

(c) the sale of securities for the account of a customer to obtain funds for immediate reinvestment in redeemable securities of registered investment companies; and

(iii) The broker or dealer promptly transmits all funds and delivers all securities received in connection with its activities as a broker or dealer, and does not otherwise hold funds or securities for, or owe money or securities to, customers.

(iv) Notwithstanding the foregoing, this section shall not apply to any insurance company which is a registered broker-dealer, and which otherwise meets all of the conditions in paragraphs (k)(1) (i), (ii), and (iii) of this section, solely by reason of its participation in transactions that are a part of the business of insurance, including the purchasing, selling, or holding of securities for or on behalf of such company's general and separate accounts.

(2) The provisions of this section shall not be applicable to a broker or dealer:

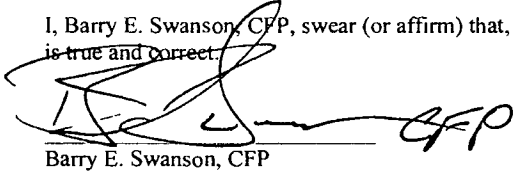

(i) Who carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with its activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions between the broker or dealer and its customers through one or more bank accounts, each to be designated as "Special Account for the Exclusive Benefit of Customers of (name of the broker or dealer)"; or

(ii) Who, as an introducing broker or dealer, clears all transactions with and for customers on a fully disclosed basis with a clearing broker or dealer, and who promptly transmits all customer funds and securities to the clearing broker or dealer which carries all of the accounts of such customers and maintains and preserves such books and records pertaining thereto pursuant to the requirements of §§ 240.17a-3 and 240.17a-4 of this chapter, as are customarily made and kept by a clearing broker or dealer.

The Company met the identified exemption provisions in 17 C.F.R. § 240.15c3-3(k) throughout the most recent fiscal year without exception.
