REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors of GSA Capital Associates, LLC

We have audited the accompanying statement of financial condition of GSA Capital Associates, LLC (a New York corporation) as of December 31, 2016, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements. GSA Capital Associates, LLC's management is responsible for this financial statement. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial condition of GSA Capital Associates, LLC as of December 31, 2016 in accordance with accounting principles generally accepted in the United States of America.

GSA CAPITAL ASSOCIATES, LLC NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016

NOTE 1 – ORGANIZATION AND NATURE OF BUSINESS

GSA Capital Associates, LLC (the Company) was formed on July 7, 2009, as a limited liability company under the laws of New York. The Company is a wholly-owned subsidiary of Global Strategic Associates, LLC (GSA) who provides strategic financial consulting and advisory services.

As a broker-dealer, the Company is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company provides transaction specific capital raising and merger and acquisition advisory services.

The Company has entered into an agreement with GSA whereby GSA provides administrative and management services to the Company, including personnel, office space, and administrative support. GSA charged the Company \$130,545.00 for these services in 2016.

GSA will maintain the net capital requirements of the Company in accordance with FINRA's requirements through January 1, 2018, if necessary.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The accompanying policies of the Company are in accordance with accounting principles generally accepted in the United States of America applied on a basis consistent with that of the preceding years.

Basis of Accounting - These financial statements are prepared on the accrual basis of accounting whereby, revenue is recognized when earned and expenses are recognized when incurred.

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Such estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Revenue Recognition – Placement fees from capital-raising and merger and acquisition services are recognized when the Company has deemed a non-forfeitable right to commission earnings based on the provisions of each separate contract. During 2016, the Company earned \$5,314,530.

3

GSA CAPITAL ASSOCIATES, LLC NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016

Cash and Cash Equivalents - For purposes of reporting cash flows, the Company considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

Income Taxes – As a single member limited liability company, the Company is disregarded as a separate reporting entity for tax purposes and its income and expenses are included on the tax returns of GSA. In addition, GSA is a limited liability company and has elected to be taxed as a partnership. As a result, both the Company and GSA earnings and losses are included in GSA's members' personal income tax returns and taxed depending on their personal tax strategies.

The Company complies with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Income Taxes which requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred income tax assets to the amount expected to be realized.

ASC 740 provides guidance for how uncertain tax positions should be recognized, measured, presented and disclosed in the financial statements. ASC 740 requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as tax benefit or expense in the current year.

Subsequent Events - In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through February 28, 2017, the date the financial statements were available to be issued.

NOTE 3 – NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital not exceed 15 to 1. On December 31, 2016, the Company had a net capital of \$107,593, which was \$102,593 in excess of its required net capital of \$5,000 and its percentage of aggregate indebtedness to net capital ratio was 20 to 1.

NOTE 4 - OTHER REGULATORY REQUIREMENTS

The Company does not hold any funds or securities for the accounts of customers. It is therefore exempt for the customer reserve requirements of the Securities and Exchange Commission Rule 15c3-3 under Section (k)(2)(i).

4

GSA CAPITAL ASSOCIATES, LLC NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2016

NOTE 5 – CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Company to concentration of credit risk consist of cash and cash equivalents.

The Company maintains its cash and cash equivalents, which at times may exceed the federally insured limit, in bank deposit accounts with high quality financial institutions. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

NOTE 6 – DEPENDENCY ON PARENT COMPANY

The Company is dependent on its parent company (GSA) to provide funds in order for the Company to meet its net capital requirements. GSA will provide the appropriate funds to satisfy this requirement through January 1, 2018, if necessary.

NOTE 7 – COMMITMENTS AND CONTINGENCIES

The Company is not aware of any commitments or contingencies requiring disclosure as of December 31, 2016.
