Nature of Business

Bond Lane Partners, LLC (the Company) is a broker-dealer registered with the Securities and Exchange Commission (SEC) and became a member of the Financial Industry Regulatory Authority (FINRA) on August 24, 2009. The Company was organized as a California limited liability company (LLC).

The Company engages in the business of structuring private placements of both debt and equity securities, on the client's behalf, and acts as a mergers and acquisitions consultant on a fee for service basis in the digital media industry.

Since the Company is a limited liability company, the member is not liable for the debts, obligations, or liabilities of the Company, whether arising in contract, tort or otherwise, unless the member has signed a specific guarantee.

Basis of Presentation

The Company keeps its books and prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The presentation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
