## NOTES TO CONSOLIDATED STATEMENT OF FINANCIAL CONDITION

June 30, 2017

---

### 1. Nature of operations

The consolidated financial statements include the accounts of Trump Securities, LLC ("Trump") and its subsidiary Clydesdale Securities LLC ("CS") (collectively, the "Company"). Trump and CS are broker-dealers registered with the Securities and Exchange Commission ("SEC") and are members of the Financial Industry Regulatory Authority ("FINRA"). The Company is engaged in the business of private placements and related advisory and investment banking activities.

### 2. Summary of significant accounting policies

#### *Basis of Presentation*

These consolidated financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("US GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

#### *Basis of consolidation*

All material intercompany transactions and balances have been eliminated in consolidation.

#### *Revenue Recognition*

Revenues from commissions are billed and recognized when private placements are completed and commissions are earned and collectible. Advisory fees are recognized based on the terms of the contracts and are recorded when the services are rendered. Underwriting revenue is recognized when the fees are earned and collectible.

#### *Income Taxes*

The Company is a limited liability company, and treated as a partnership for income tax reporting purposes. The Internal Revenue Code provides that any income or loss is passed through to the members for federal and state income tax purposes. Accordingly, the Company has not provided a provision for federal income taxes. The Company is subject to the New York City Unincorporated Business Tax and California LLC filing fee. The Company is on a calendar year for tax reporting purposes.

At June 30, 2017, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require.

#### *Fees Receivable*

Fees receivable are stated at cost less an allowance for doubtful accounts, and represent commissions management expects to collect based on each private placement contract. On a periodic basis, the Company evaluates its fees receivable and establishes an allowance for doubtful accounts, based on past history, collections, and current credit conditions. Accounts are written-off as uncollectible once the Company has exhausted its collection means. As of June 30, 2017, there was no allowance for doubtful accounts.

At June 30, 2017, the Company's net capital was \$330,474 which was \$325,474 in excess of its computed minimum requirement of \$5,000.
