We have audited the accompanying statement of financial condition of Sequoia Equities Securities Corporation as of June 30, 2017, and the related statements of operations, changes in stockholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of Sequoia Equities Securities Corporation's management. We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and signficant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Sequoia Equities Securities Corporation as of June 30, 2017, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

SEQUOIA EQUITIES SECURITIES CORPORATION Notes to Financial Statements June 30, 2017

1. Nature of Business

Sequoia Equities Securities Corporation (the "Company") was formed in March 1983 and is a registered broker-dealer with the Securities and Exchange Commission and the State of California and is a member of the Financial Industry Regulatory Authority ("FINRA"). The primary function of the Company is the brokering of real estate limited partnership units of partnerships formed by the Company's stockholder or other affiliates. The Company does not hold customer funds or invest in securities.

The Company receives support from two affiliated companies for such items as personnel salaries and benefits, accounting and information technology services, office equipment and other miscellaneous overhead expenses (see Note 5). The financial results of the Company would be significantly different absent these relationships with the affiliated companies.

2. Summary of Significant Accounting Policies

Cash and cash equivalents

The Company classifies highly liquid investments with original maturities of three months or less as each and each equivalents. Cash and each equivalents are held in major financial institutions. Periodically, such balances may be in excess of federally insured limits.

Revenue recognition

Concession revenue is generated from the brokerage of debt and equity investments, primarily real estate limited partnership units. Concession revenue is recognized as earned when funding has been completed according to terms of the offering agreements.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income taxes

Income tax expense is based on reported earnings before income taxes. The Company has evaluated its current tax positions and has concluded that as of June 30, 2017, the Company does not have any significant uncertain tax positions for which a reserve would be necessary.

SEQUOIA EQUITIES SECURITIES CORPORATION Notes to Financial Statements June 30, 2017

2. Summary of Significant Accounting Policies (continued)

Subsequent events

No subsequent events have occurred that would have a material impact on the presentation of the Company's financial statements.

3. Net Capital Requirements

Pursuant to the net capital provisions of the U.S. Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), the Company is required to maintain minimum net capital (as defined) of \$5,000, and is required that the ratio of aggregate indebtedness (as defined) to net capital shall not exceed 15 to 1 or 6-2/3%.

The rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and the related ratio of aggregate indebtedness to net capital may fluctuate on a daily basis. At June 30, 2017, the Company had net capital of \$12,035 which was \$7,035 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 0.000 to 1 as of June 30, 2017.

4. Income Taxes

At June 30, 2017, there are federal net operating loss carry forwards of approximately \$417,600 and state net operating loss carry forwards of approximately \$304,600. The net operating losses expire in the years ending June 30, 2017 through June 30, 2037. Since the realization of the loss carry forwards does not meet the more-likely-than-not criteria required, a valuation allowance has been provided to eliminate the net deferred tax asset at June 30, 2017.

The Company may be subject to periodic audits by the Internal Revenue Service ("IRS") and other taxing authorities. For state tax returns, the Company is generally no longer subject to tax examinations for years prior to June 30, 2013. For U.S. federal tax returns, the Company is no longer subject to tax examination for years prior to June 30, 2014.

SEQUOIA EQUITIES SECURITIES CORPORATION Notes to Financial Statements June 30, 2017

5. Affiliate Expense Agreements

The Company receives support from two affiliated companies for such items as personnel salaries and benefits, accounting and information technology services, office equipment and other miscellaneous overhead expenses. The Company is being charged flat fees of \$100 and \$1,030 per month for its share of operating expenses under these affiliate expense agreements.

6. Concentrations

Substantially all of the Company's concession revenue for the year ended June 30, 2017 was derived from the brokering of real estate limited partnership units of partnerships formed by the Company's stockholder or other affiliates.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ON THE EXEMPTION REPORT FROM SEC RULE 15c3-3 OF SEQUOIA EQUITIES SECURITIES COPRORATION FOR THE YEAR ENDED JUNE 30, 2017

To the Stockholder Sequoia Equities Securities Corporation Walnut Creek, California

We have reviewed management's statements, included in the accompanying Sequoia Equities Securities Corporation Report on Exemption From SEC Rule 15c3-3 for the year ended June 30, 2017, in which (1) Sequoia Equities Securities Corporation (the "Company") identified the following provision of 17 C.F.R. §15c-3-3(k) under which the Company claimed an exemption from 17 C.F.R. §15c-3-3: paragraph (k)(2)(i) (the "exemption provisions") and (2) the Company stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based upon our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
