The accompanying notes are an integral part of this statement

STUART FRANKEL & CO., INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2017

Note 1 - Nature of Business

Stuart Frankel & Co., Inc. (The "Company") is a New York State corporation formed in 1987, for the purpose of conducting business as a broker on the floor of the New York Stock Exchange. The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC").

Note 2 - Summary of Significant Accounting Policies

a) Revenue Recognition

Securities transactions (and the recognition of related income and expenses) are recorded on a trade date basis. Commission income and related expense are recorded on a trade date basis.

b) Income Taxes

The Company has elected to be treated as an "S" Corporation under the provisions of the Internal Revenue Code and New York State tax regulations. Under the provisions, the Company does not pay federal or state corporate income taxes on its taxable income. Instead, the stockholder is liable for individual income taxes on his respective share of the Company's taxable income. The Company continues to pay New York City general corporation taxes.

c) Cash and Cash Equivalents

The Company considers demand deposited money market funds to be cash equivalents. The Company maintains cash in bank accounts which, at times, may exceed federally insured limits or where no insurance is provided. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

d) Equipment

Equipment is carried at cost and is depreciated over a useful life of 5-7 years using accelerated methods.

e) Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses.

Note 3- Fair Value Measurements

The Company carries its investments at fair value. ASC 820, *Fair Value Measurements and Disclosure*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value

STUART FRANKEL & CO., INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2017

Note 3-

Fair Value Measurements (continued)

that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 - Fair values derived from unadjusted quoted prices of identical assets in active markets.

Level 2 - Fair values derived from quoted prices of similar assets in active markets, quoted prices for identical or similar assets in markets that are not active and model driven valuations in which all significant inputs are observable in active markets.

Level 3 - Fair values derived from inputs which are not observable in markets.

The following table represents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as at September 30, 2017:

	Total	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Equities	\$10,078,977	\$10,078,977	0	0
Notes	<u>748,900</u>	<u>0</u>	<u>748,900</u>	<u>0</u>
	<u>\$10,827,877</u>	<u>\$10,078,977</u>	<u>\$748,900</u>	

Note 4-

Liabilities Subordinated to the Claims of General Creditors

Subordinated liabilities consist of both secured demand notes evidenced by a secured demand note collateral agreement approved by FINRA and subordinated loan agreements approved by the New York Stock Exchange. Both agreements are available in computing net capital under the Securities and Exchange Commission's Uniform Net Capital Rule.

	<u>Maturity Date</u>	<u>Interest Rate</u>	<u>Face Value</u>
Subordinated loans	April 29, 2023	10%	\$3,000,000
Secured demand Note	November 10, 2020	6%	<u>2,000,000</u>
			<u>\$5,000,000</u>

To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid.

STUART FRANKEL & CO., INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2017

Note 5- Money Purchase Plan

The Company is a sponsor of a defined contribution money purchase plan for its eligible employees. Contributions to the plan are in the amount of 10% of participants' compensation for the plan year. The employer's contribution for any calendar year shall not exceed the maximum allowable as a deduction to the employer under the provisions of the IRS Code Section 404, as amended, or replaced from time to time. The Company contributed \$236,780 to the plan during the fiscal year.

Note 6 - Commitments

Office Lease

The Company leases office space pursuant to a lease agreement expiring October 31, 2021. Rental payments are payable monthly. The Company's minimum rental commitments over the next five years are as follows:

Year Ended	
<u>Sept 30.</u>	<u>Amount</u>
2018	\$ 30,250
2019	\$ 31,160
2020	\$ 32,094
2021	\$ 33,052

Note 7 - Financial Instruments with Off-Balance Sheet Credit Risk

As a securities broker, the Company is engaged in buying and selling securities for a diverse group of institutional and individual investors. The Company introduces these transactions for clearance to another broker-dealer on a fully disclosed basis.

The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets which may impair the customer's ability to satisfy its obligations to the Company and the Company's ability to liquidate the collateral at an amount equal to the original contracted amount. The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to such non-performance by its customers.

The Company seeks to control the risks by requiring customers to maintain margin collateral in compliance with various regulatory requirements and the clearing broker's internal guidelines. The Company monitors its customer activity by reviewing information it receives from its clearing broker daily, and requiring customers to deposit additional collateral, or reduce positions, when necessary.

STUART FRANKEL & CO., INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2017

Note 8 - Net Capital Requirement

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500%. At September 30, 2017, the Company had net capital of \$13,337,490 which was \$13,237,490 in excess of its required net capital of \$100,000. The Company's net capital ratio 2.81%.

A copy of the Firm's statement of Financial Condition as of September 30, 2017, pursuant to SEC Rule 17a-5, is available for examination at the Firm's office and at the regional offices of the SEC and FINRA.

Report of Independent Registered Public Accounting Firm

Gentlemen:

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Stuart Frankel & Co., Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Stuart Frankel & Co., Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3: k(2)(ii), (the "exemption provisions") and (2) Stuart Frankel & Co., Inc. stated that Stuart Frankel & Co., Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Stuart Frankel & Co., Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Stuart Frankel & Co., Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph k(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
