Total liabilities and stockholders' equity	<u>\$ 513,384</u>

The accompanying notes are an integral part of this statement.

DAVID HARRIS & CO., INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2017

Note 1- Nature of Business

David Harris & Co., Inc. (The "Company"), a wholly-owned subsidiary of CDH Holdings, Inc., (the "Parent") is a Delaware Corporation formed for the purpose of conducting business as a broker-dealer in securities.

The Company operates under the provisions of Paragraph (k) (2) (ii) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k) (2) (ii) provide that the Company clears all transactions on behalf of customers on a fully disclosed basis with a clearing broker/dealer, and promptly transmits all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer. The Company also operates pursuant to the (k) (2) (i) exemptive provisions of Rule 15c3-3.

Note 2- Summary of Significant Accounting Policies

a) Revenue Recognition

Securities transactions (and the recognition of related income and expenses) are recorded on a settlement date basis, generally the second business day following the transaction date (effective September 5, 2017, previously the third business day). The difference between trade and settlement date reporting is not material.

b) Fair Value Measurements

The Company carries its investments at fair value. ASC 820, *Fair Value Measurements and Disclosure*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 - Fair values derived from unadjusted quoted prices of identical assets in active markets.

Level 2 - Fair values derived from quoted prices of similar assets in active markets, quoted prices for identical or similar assets in markets that are not active and model driven valuations in which all significant inputs are observable in active markets.

Level 3 - Fair values derived from inputs which are not observable in markets.

DAVID HARRIS & CO., INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2017

Note 2 - Summary of Significant Accounting Policies (continued)

b) Fair Value Measurements (continued)

The following is a summary of the inputs used as of September 30, 2017, in valuing the Company's investment assets.

	<u>Assets at Fair Value as of September 30, 2017</u>			
	Level 1	Level 2	Level 3	Total
Investments – at fair value	\$-0-			\$-0-

c) Cash and Cash Equivalents

The Company considers demand deposited money market funds to be cash equivalents. The Company maintains cash in bank accounts which, at times, may exceed federally insured limits or where no insurance is provided. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash and cash equivalents.

d) Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported amounts of revenues and expenses.

e) Income Taxes

The Company accounts for income taxes under SFAS No. 109, which requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed annually for differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is the tax payable or refundable for the period plus or minus the change during the period in deferred tax assets and liabilities.

f) Subsequent Events

The Company has evaluated events and transactions that occurred between September 30, 2017 and November 1, 2017, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

DAVID HARRIS & CO., INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2017

Note 3- Securities Owned – at Market Value

Securities owned, at quoted market values, are summarized as follows:

Corporate bonds	\$ -0-
Government bonds	<u>-0-</u>
	<u>\$ -0-</u>

Note 4- Liabilities Subordinated to the Claims of General Creditors

Subordinated liabilities, evidenced by secured demand note collateral agreements approved by FINRA, mature on March 31, 2021 and bear interest at 5%.

All notes are covered by secured demand note collateral agreements.

To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid.

Note 5- Related Party Transactions

The Company's parent company (CDH), Chester Harris & Co., Inc. (Chester) and the Company are owned by substantially the same related shareholders. The Company and Chester share office space, personnel and other administrative expenses. During the year, the Company was allocated \$7,600 of such expenses. At September 30, 2017 \$156,297 of such allocation is owed to Chester by the Company. At September 30, 2017 \$10,000 is owed to a shareholder of the Parent for accrued interest payable on secured demand notes. At September 30, 2017 \$500 is owed to the Parent.

Note 6- Commitments and Contingencies

Office Space

The Company leases its premises under a lease expiring June 30, 2018. Future approximate minimum annual rental expense for the fiscal years ended September 30 are:

2018	\$26,231 (9 months)
------	---------------------

The lease contains rent escalation provisions based on increased real estate taxes and other operating expenses. Utilities are included in the minimum rental expense.

DAVID HARRIS & CO., INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2017

Note 7- Income Taxes

At September 30, 2017 the Company had a net operating loss (NOL) of approximately \$160,000 for income tax purposes. This carryforward will expire in 2030-2037. A valuation allowance of \$40,000 has been established to offset the deferred tax asset arising from this carryforward. Therefore, no deferred tax assets have been recorded on the accompanying statement of financial condition.

Note 8- Financial Instruments with Off-Balance Sheet Credit Risk

As a securities broker/dealer, the Company is engaged in buying and selling securities for a diverse group of institutional and individual investors. The Company's transactions are collateralized and are executed with and on behalf of banks, brokers and dealers and other financial institutions. The Company introduces these transactions for clearance to another broker/dealer on a fully disclosed basis.

The Company may be exposed to a risk of loss not reflected on the accompanying statement of financial condition for securities sold, but not yet purchased, should the value of such securities rise. At September 30, 2016, the Company holds no such securities. The Company's exposure to credit risk associated with non-performance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets which may impair customers' ability to satisfy their obligations to the Company and the Company's ability to liquidate the collateral at an amount equal to the original contracted amount. The agreement between the Company and its clearing broker provides that the Company is obligated to assume any exposure related to such non-performance by its customers. The Company seeks to control the aforementioned risks by requiring certain customers to maintain margin collateral in compliance with various regulatory requirements and the clearing brokers internal guidelines. The Company monitors its customer activity by reviewing information it receives from its clearing broker on a daily basis, and requiring customers to deposit additional collateral, or reduce positions when necessary.

Note 9- Net Capital Requirements

The capital ratio of the Company, as independently computed by our auditors, was 51.72%, versus an allowable maximum of 1500%, under the rules of the Securities and Exchange Commission. The Company's net capital requirement under SEC Rule 15c3-1 was \$250,000. The net capital as computed was \$335,706, leaving capital in excess of requirements in the amount of \$85,706.

A copy of the Company's Statement of Financial Condition as of September 30, 2017, pursuant to SEC Rule 17a-5, is available for examination at the Company's office and at the regional office of the Securities and Exchange Commission and the office of FINRA.

Report of Independent Registered Public Accounting Firm

To the Stockholders of
David Harris & Co., Inc.
222 Mamaroneck Avenue
White Plains, NY 10605

We have audited the accompanying statement of financial condition of David Harris & Co., Inc. (the Company) as of September 30, 2017. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of David Harris & Co., Inc. as of September 30, 2017 in conformity with accounting principles generally accepted in the United States.
