Report of Independent Registered Public Accounting Firm

The Stockholder of  
Balanced Security Planning, Inc.  
Fort Myers, Florida

We have audited the accompanying statement of financial condition of Balanced Security Planning, Inc. (the Company) as of May 31, 2017, and the related statements of operations and stockholder's equity and cash flows for the year then ended. The financial statements are the responsibility of management. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of May 31, 2017, and the results of its operations and its cash flows for the year ended May 31, 2017, in conformity with U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information contained in the Supplemental Schedules required by Rule 17a-5 under the Securities Exchange Act of 1934 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 under the Securities Exchange Act of 1934. In our opinion, the Supplemental Schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

**Notes to Financial Statements**

**NOTE A - SUMMARY OF ACCOUNTING POLICIES**

Accounting principles followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operation and cash flows are summarized below:

**Recent Accounting Pronouncements**

Recent accounting pronouncements which are not yet effective are not currently expected to have a material effect on our financial statements.

**Subsequent Event**

The company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through July 27, 2017, which is the date the financial statements were available to be issued. Based upon this review, the company had determined that there were no events which took place that would have a material impact on its financial statements.

**Organization**

Balanced Security Planning, Inc. (the Company) was incorporated in the State of Florida effective May 29, 1969. The Company has adopted a fiscal year ending May 31st.

**Description of Business**

The Company, located in Fort Myers, FL is a broker and dealer in securities registered with the Securities and Exchanges Commission ("SEC") and is a member of FINRA. The Company operates under SEC Rule 15c3(k)(1), which provides an exemption because of limited business.

**Basis of Accounting**

The financial statements of the Corporation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

**Cash and Cash Equivalents**

The Company considers as cash all short-term investments with an original maturity of three months or less to be cash equivalents.

#### Accounts Receivable - Recognition of Bad Debt

The Corporation considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Account receivables consist of commissions and 12B-1 fees from mutual fund purchases and are paid directly to the company.

#### Revenue Recognition

Commission revenue is recorded when earned by the company, at which time no further performance obligation is required and collection is reasonably assured. Commissions earned are reported by the investment company through submitted commission statements.

Revenue concentrations exist as a function of the company's limited business of sale of mutual funds.

#### Concentration of Credit Risk

Financial instruments that potentially subject the Company to fair value disclosure requirements are carried in the financial statements at amount that approximate fair value and include cash and cash equivalents. Fair values are based on quoted market prices and assumptions concerning the amount and timing of estimated future cash flows and assumed discount rates reflecting varying degrees of perceived risk.

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Income Taxes

As of May 31, 2017 the company has a net operating loss carry forward of approximately \$19,000, which will expire if not used through the year 2037.

At May 31, 2017 the company had no significant deferred tax liability and its only deferred tax assets of approximately \$7,000 has been fully offset by a valuation allowance.

#### NOTE B - NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-3 of the Securities and Exchange Act of 1934, the company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis. Computation of Net Capital and the broker-dealers corresponding unaudited Part IIA of the FOCUS report are required under Rule 15c3-1.

#### NOTE C - POSSESSION OR CONTROL REQUIREMENTS

The Company does not have any possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exception provisions of SEC Rule 15c3-3(k)(1).

#### NOTE D - SIPC RECONCILIATION

SEA Rule 17a-5(e)(4) required a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenues, they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

#### NOTE E - COMMITMENTS AND CONTINGENCIES

Balanced Security Planning, Inc. does not have any commitments, guarantees, or contingencies (arbitrations, lawsuits, claims, etc.) that may result in a loss or future obligation or that may be asserted against the Company at a future date.

#### NOTE F- RENT

The company had a prepaid last month rent applied to June 2016 in the amount of \$999.00. The Company is under no current lease or rent obligation. The company currently uses office space located at the sole stockholder's residence. The fair market value of such rental space is immaterial.

#### NOTE G- EMPLOYEE BENEFIT PLAN

The Company has a Simplified Employee Plan ("the Plan") to provide for retirement and incidental benefits for employees. Employees may contribute a portion of their annual compensation to the Plan, limited to a maximum annual dollar amount as set periodically by the Internal Revenue Service. As of May 31, 2017 contributions to the plan totaled \$12,431. Employer contributions to the plan are discretionary as determined by the board of directors.

**Supplementary Schedules Pursuant to SEA Rule 17a-5**  
**Of the Securities and Exchange Act of 1934**  
Year-Ended May 31, 2017

**Statement Related to Uniform Net Capital Rule**

The Company is a member of the FINRA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 1500% (15 to 1), or, during its first year of operations, 800% (8:1). Net capital and the related net capital ratio may fluctuate on a daily basis. At May 31, 2017, the Company had net capital of \$9,463 which was \$4,463 in excess of its required net capital of \$5,000. The Company's net capital ratio was 56.01%. The Company has elected to use the basic computation method, as is permitted by the rule, which requires that the Company maintain minimum Net Capital pursuant to a fixed dollar amount or 6-2/3% percent of total aggregate indebtedness, as defined, whichever is greater, and does not, therefore, calculate its net capital requirement under the alternative reserve requirement method.

**Statement Related to Exemptive Provision (Possession and Control)**

The Company does not have possession or control of customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of SEA Rule [15c3-3(k)(2)(ii)]; All customer transactions cleared through another broker-dealer on a fully disclosed basis.

**Statement Related to Material Inadequacies**

This audit did not disclose any material inadequacies since the previous audit of the financial statements contained within the audit report of the Computation of Minimum Net Capital Requirement as reported in the Supplemental Schedules contained within the audit report or the filed Financial and Operational Combined Uniform Single Report filed pursuant to SEA Rule 15c3-1. The company is exempt from 15c3-3; it does not maintain customer funds or securities and therefore does not maintain customer funds to segregate nor does it maintain separate accounts for customers.

**Statement Related to SIPC Reconciliation**

SEA Rule 17a-5(e)(4) requires a registered broker-dealer to file a supplemental report which includes procedures related to the broker-dealers SIPC annual general assessment reconciliation or exclusion from membership forms. In circumstances where the broker-dealer reports \$500,000 or less in gross revenue they are not required to file the supplemental SIPC report. The Company is exempt from filing the supplemental report under SEA Rule 17a-5(e)(4) because it is reporting less than \$500,000 in gross revenue.

Report of Independent Registered Public Accounting Firm

The Stockholder of  
Balanced Security Planning, Inc.  
Fort Myers, Florida

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Balanced Security Planning, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Balanced Security Planning, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3, specifically 17 C.F.R. §240.15c3-3(k)(1) (the exemption provision) and (2) Balanced Security Planning, Inc. stated that Balanced Security Planning, Inc. met the identified exemption provision throughout the most recent fiscal year without exception. Balanced Security Planning, Inc.'s management is responsible for compliance with the exemption provision and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Balanced Security Planning, Inc.'s compliance with the exemption provision. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
