

GENERAL INSTRUCTIONS FOR FORM 19b-7

A. Use of the Form

All self-regulatory organization proposed rule changes submitted pursuant to Section 19(b)(7) of the Securities Exchange Act of 1934 (“Act”), shall be filed electronically through the Electronic Form Filing System (“EFFF”), a secure Web site operated by the Commission. This form shall be used for filings of proposed rule changes by all self-regulatory organizations pursuant to Section 19(b)(7) of the Act. National securities exchanges registered pursuant to Section 6(g) of the Act and limited purpose national securities associations registered pursuant to Section 15A(k) of the Act are self-regulatory organizations for purposes of this form.

B. Need for Careful Preparation of the Completed Form, Including Exhibits

This form, including the exhibits, is intended to elicit information necessary for the public to provide meaningful comment on the proposed rule change and for the Commission to determine whether abrogation of the proposal is appropriate because it unduly burdens competition or efficiency, conflicts with the securities laws, or is inconsistent with the public interest and the protection of investors. The self-regulatory organization must provide all the information called for by the form, including the exhibits, and must present the information in a clear and comprehensible manner.

The proposed rule change shall be considered filed with the Commission on the date on which the Commission receives the proposed rule change if the filing complies with all requirements of this form. Any filing that does not comply with the requirements of this form may be returned to the self-regulatory organization at any time before the issuance of the notice of filing. Any filing so returned shall for all purposes be deemed

not to have been filed with the Commission. See also Rule 0-3 under the Act (17 CFR 240.0-3).

C. Documents Comprising the Completed Form

The completed form filed with the Commission shall consist of the Form 19b-7 Page 1, numbers and captions for all items, responses to all items, and exhibits required in Instruction H. In responding to an item, the completed form may omit the text of the item as contained herein if the response is prepared to indicate to the reader the coverage of the item without the reader having to refer to the text of the item or its instructions. Each filing shall be marked on the Form 19b-7 with the initials of the self-regulatory organization, the four-digit year, and the number of the filing for the year (i.e., SRO-YYYY-XX). If the self-regulatory organization is filing Exhibit 2 or 3 via paper, the exhibits must be filed within 5 business days of the electronic submission of all other required documents.

D. Amendments

If information on this form or exhibit thereto is or becomes inaccurate before the proposed rule change becomes effective, the self-regulatory organization shall file amendments correcting any such inaccuracy. Amendments shall be filed as specified in Instruction E.

Amendments to a filing shall include the Form 19b-7 Page 1 marked to number consecutively the amendments, numbers and captions for each amended item, amended response to the item, and required exhibits. The amended description in Section II. A. 1. of Exhibit 1 shall explain the purpose of the amendment and, if the amendment changes the purpose of or basis for the proposed rule change, the amended response shall also

provide a revised purpose and basis statement for the proposed rule change. Exhibit 1 shall be re-filed if there is a material change from the immediately preceding filing in the language of the proposed rule change or in the information provided.

If the amendment alters the text of an existing rule, the amendment shall include the text of the existing rule, marked in the manner described in Section I. of Exhibit 1 using brackets to indicate words to be deleted from the existing rule and underscoring to indicate words to be added. The purpose of this marking requirement is to maintain a current copy of how the text of the existing rule is being changed.

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission staff's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e., partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

If, after the rule change is filed but before it becomes effective, the self-regulatory organization receives or prepares any correspondence or other communications reduced to writing (including comment letters) to and from such self-regulatory organization concerning the proposed rule change, the communications shall be filed as Exhibit 2. If information in the communication makes the rule change filing inaccurate, the filing shall be amended to correct the inaccuracy. If such communications cannot be filed electronically in accordance with Instruction E, the communications shall be filed in accordance with Instruction F.

E. Signature and Filing of the Completed Form

All proposed rule changes, amendments, extensions, and withdrawals of proposed rule changes shall be filed through the EDFS. In order to file Form 19b-7 through EDFS, self-regulatory organizations must request access to the SEC's External Application Server by completing a request for an external account user ID and password for the use of the External Application User Authentication Form.

Initial requests will be received by contacting the Division of Trading and Markets Administrator located on our Web site (<http://www.sec.gov>). An e-mail will be sent to the requestor that will provide a link to a secure Web site where basic profile information will be requested.

A duly authorized officer of the self-regulatory organization shall electronically sign the completed Form 19b-7 as indicated on Page 1 of the Form. In addition, a duly authorized officer of the self-regulatory organization shall manually sign one copy of the completed Form 19b-7, and the manually signed signature page shall be maintained pursuant to Section 17 of the Act.

F. Procedures for Submission of Paper Documents for Exhibits 2 and 3

To the extent that Exhibit 2 or 3 cannot be filed electronically in accordance with Instruction E, four copies of Exhibit 2 or 3 shall be filed with the Division of Trading and Markets, Securities and Exchange Commission, 100 F Street, NE, Washington, DC 20549-6628. Page 1 of the electronic Form 19b-7 shall accompany paper submissions of Exhibit 2 or 3. If the self-regulatory organization is filing Exhibit 2 or 3 via paper, they must be filed within five days of the electronic filing of all other required documents.

I. Self-Regulatory Organization's Description and Text of the Proposed Rule Change

[Supply a brief statement of the terms of substance of the proposed rule change.

If the proposed rule change is relatively brief, a separate statement need not be prepared, and the text of the proposed rule change may be inserted in lieu of the statement of the terms of substance. If the proposed rule change amends an existing rule, indicate the changes in the rule by brackets for words to be deleted and underscoring for words to be added.]

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for the Proposed Rule Change

1. Purpose

[Provide a statement of the purpose of the proposed rule change. The statement must describe the text of the proposed rule change in a sufficiently detailed and specific manner as to enable the public to provide meaningful comment on the proposal. At a minimum, the statement should:]

(a) [Describe the reasons for adopting the proposed rule change, any problems the proposed rule change is intended to address, the manner in which the proposed rule change will resolve those problems, the manner in which the proposed rule change will affect various persons (e.g. brokers, dealers, issuers, and investors), and any significant problems known to the self-regulatory organization that persons affected are likely to have in complying with the proposed rule change; and]

(b) [Describe how the proposed rule change relates to existing rules of the self-regulatory organization. If the self-regulatory organization reasonably expects that the proposed rule change will have any direct effect, or significant indirect effect, on the application of any other rule of the self-regulatory organization, set forth the designation or title of any such rule and describe the anticipated effect of the proposed rule change on the application of such other rule. Include the file numbers for prior filings with respect to any existing rule specified.]

2. Statutory Basis

[Explain why the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to the self-regulatory organization. A mere assertion that the proposed rule change is consistent with those requirements is not

sufficient. Certain limitations that the Act imposes on self-regulatory organizations are summarized in the notes that follow.

NOTE 1. National Securities Exchanges. Under Section 6 of the Act, rules of a national securities exchange may not permit unfair discrimination between customers, issuers, brokers, or dealers, and may not regulate, by virtue of any authority conferred by the Act, matters not related to the purposes of the Act or the administration of the self-regulatory organization.

NOTE 2. Limited Purpose National Securities Associations. Under Section 15A(k) of the Act, rules of a national securities association registered for the limited purpose of regulating the activities of members who are registered as brokers or dealers in security futures products must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general to protect investors and the public interest, including rules governing sales practices and the advertising of security futures products reasonably comparable to those of other national securities associations registered pursuant to Section 15A(a) that are applicable to security futures products. The rules may not be designed to regulate, by virtue of any authority conferred by the Act, matters not related to the purposes of the Act or the administration of the association.]

B. Self-Regulatory Organization's Statement on Burden on Competition

[The information required by this section must be sufficiently detailed and specific to support the premise that the proposed rule change does not unduly burden competition.

In responding to this section, the self-regulatory organization must:

- State whether the proposed rule change will have an impact on competition and, if so

- (i) state whether the proposed rule change will impose any burden on competition or whether it will relieve any burden on, or otherwise promote, competition, and
 - (ii) specify the particular categories of persons and kinds of businesses on which any burden will be imposed and the ways in which the proposed rule change will affect them.
- Explain why any burden on competition is not undue; or, if the self-regulatory organization does not believe that the burden on competition is significant, explain why.

In providing those explanations, set forth and respond in detail to written comments as to any significant impact or burden on competition perceived by any person who has made comments on the proposed rule change to the self-regulatory organization.]

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

[If written comments were received (whether or not comments were solicited) from members of or participants in the self-regulatory organization or others, summarize the substance of all such comments received and respond in detail to any significant issues that those comments raised about the proposed rule change.

If an issue is summarized and responded to in detail under Section II.A.1. or Section II.B. of this Form 19b-7 Notice, that response need not be duplicated if appropriate cross-reference is made to the place where the response can be found. If comments were not or are not to be solicited, so state.]

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

[The self-regulatory organization shall include the following with the applicable phrase on the proposed rule change's effectiveness:]

The proposed rule change has become effective on [insert date of filing of written certification with the CFTC under Section 5c(c) of the Commodity Exchange Act; or the date of determination by the CFTC that review of the proposed rule change is not necessary; or the date of approval of the proposed rule change by the CFTC]. [or]

The proposed rule change is not effective because the CFTC [has not determined that review of the proposed rule changes is not necessary or has not approved the proposed rule change].

At any time within 60 days of the date of effectiveness of the proposed rule change, the Commission, after consultation with the CFTC, may summarily abrogate the proposed rule change and require that the proposed rule change be refiled in accordance with the provisions of Section 19(b)(1) of the Act.
