Subject: Strong Support for Green Impact Exchange (GIX) Application

Dear Chair Gensler,

I am writing to express my strong support for the approval of the Green Impact Exchange, LLC (GIX) application to become a national securities exchange.

GIX's Experienced Leadership

GIX boasts a management team comprised of seasoned executives with decades of extensive experience in technology, trading floors, and accounting. This expertise is crucial in today's environment where many FinTech entrepreneurs lack the necessary experience. Their proven track record ensures the exchange's stability and competence.

Addressing the Need for a Green Marketplace

My background in carbon credits has provided firsthand experience with the challenges surrounding their measurement, validation, and accounting. The current system lacks transparency and accountability. GIX offers a solution by creating a dedicated environment and marketplace for companies committed to sustainable practices.

Supporting the Carbon Credit Market

GIX will foster the growth of the carbon credit market by:

- **Centralizing and Supporting Green Businesses:** Providing the first global platform for green companies to access capital for long-term growth.
- **Encouraging Capital Flow:** Facilitating investment in companies working towards climate solutions.

A natural resource to enrich the earth

Transparency and Accountability for Sustainable Practices

GIX will promote transparency and accountability by:

- **Incentivizing Green Governance:** Encouraging companies to adopt and maintain strong environmental practices.
- **Minimizing "Greenwashing":** Reducing the potential for deceptive sustainability claims.

I believe GIX will have a significant positive impact on the U.S. capital markets and be a beacon for global capital looking to invest in green companies. GIX will incentivize green practices, increase transparency, and provide much-needed resources for companies working towards a sustainable future.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in blue ink that reads "J.G. Michalowski". The signature is written in a cursive style.
