**Subject:** Make the corporations declare contributions

Dear Mr./Madame Chairperson of the S.E.C.,

I just learned of the petition to require publicly traded corporations to disclose all of their political donations. Had I known about it sooner I would have signed and commented. It is totally unacceptable that a corporation that I invest in would be allowed to use profits from its operations to donate to politicians without informing me, as an investor, of what they are doing with those funds. So please have the courage to push this rule forward. Thank you. Mike O'Neil
