

MEMORANDUM

TO: File
FROM: Tom Eady
RE: Meeting with Benchmark Solutions
DATE: November 3, 2010

On November 3, 2010, in New York City, I met with staff from Benchmark Solutions to view a demonstration of a new data product they are developing that will be used by credit market participants for pre-trade price discovery in corporate bonds and CDS. Present from Benchmark Solutions were Jim Toffey, CEO and Bill Gartland, MD Product Development.

[No agenda available for this meeting.]
