Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

I strongly support regulations that would require publicly-traded companies to disclose CEO-to-median worker pay ratios. As income inequality reaches unprecedented heights, the public has the right to know which corporations are fueling the yawning gap between rich and poor.

It pains me to know how extravagantly CEO's are paid when I know their work is no more valuable than those of us who are paid far less. I believe in just compensation for all.

Sincerely,

Patricia Prunty
