Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

I am an investor.

The proposed rule to disclose CEO-to-median worker pay ratios will be very good for - consumers, workers, investors living off our pensions and savings, and especially good for the economy as an incentive for companies to put more resources into future development rather into short term massive wealth for the few elites at the top. Please do not retreat from the proposed rule. transparency and disclosure are essential for integrity, and will make it more likely that public opinion will be well enough informed for Justice to have a chance to flourish.

Sincerely,

Rev Boutilier
