Re: Pay Ratio Disclosure, File No. S7-07-13

Dear Ms. Murphy,

As an investor, I am sick of CEOs and other senior profiteers ripping off shareholders and employees alike by taking exorbitant salaries. When things go wrong at their companies, they're always the first to say, "I didn't know anything about it" -- proof they don't deserve such obscene pay.

I strongly support regulations that would require publicly-traded companies to disclose CEO-to-median worker pay ratios. As income inequality reaches unprecedented heights, the public has the right to know which corporations are fueling the yawning gap between rich and poor.

Sincerely,
