

MEMORANDUM

TO: File No. S7-09-22

FROM: Nabeel Cheema, Division of Corporation Finance

RE: Meeting with (ISC)²

DATE: March 6, 2023

On March 3, 2023, staff from the U.S. Securities and Exchange Commission (“SEC”) met with representatives of the International Information System Security Certification Consortium (“(ISC)²”) via videoconference. The general topic discussed was the SEC’s rulemaking proposal on “Cybersecurity Risk Management, Strategy, Governance, and Incident Disclosure,” set forth in Release Nos. 33-11038, 34-94382, IC-34529 (Mar. 9, 2022).

The following SEC staff participated: Elizabeth Murphy, Katherine Bagley, and Nabeel Cheema from the Division of Corporation Finance; and Albert Sheen from the Division of Economic and Risk Analysis.

The following individuals participated on behalf of (ISC)²: Clar Rosso, CEO; Pat Bataillon, Director of Advocacy; Kevin Charest, Member; Casey Marks, Chief Product Officer; Amy Davenport, Policy Advisor (Arnold & Porter); and Paul Waters, Policy Specialist (Arnold & Porter).
