

MEMORANDUM

To: Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

From: The Office of the Chair, U.S. Securities and Exchange Commission

Date: June 9, 2022

Re: Meeting with members of the World Economic Forum

On June 9, 2022, staff from the Office of the Chair met with members of the World Economic Forum about the SEC’s proposal for the enhancement and standardization of climate-related disclosures for investors. During the meeting, the attendees asked questions about the proposal and provided views on international coordination, proposed S-X disclosures, scope 3 emissions disclosures, timing for implementation, and safe harbors.
