

MEMORANDUM

To: Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

From: The Office of the Chair, U.S. Securities and Exchange Commission

Date: September 13, 2022

Re: Meeting with the World Federation of Exchanges

On September 13, 2022, staff from the Office of the Chair met with the World Federation of Exchanges (WFE) about the SEC's proposal for the enhancement and standardization of climate-related disclosures for investors. During the meeting, participants discussed proposed Scope 3 emissions disclosures, the need for comparable disclosures from privately held companies, and the materiality of climate risk information.
