

MEMORANDUM

To: Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

From: The Office of the Chair, U.S. Securities and Exchange Commission

Date: October 28, 2022

Re: Meeting with various business coalitions

On October 28, the chair and staff from the SEC met with various business coalitions about the SEC's proposal for the enhancement and standardization of climate-related disclosures for investors. During the meeting, participants discussed the comment letters that they submitted in support of the proposal, as well as their experiences disclosing climate-related information currently.
