

## MEMORANDUM

**To:** Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

**From:** The Office of the Chair, U.S. Securities and Exchange Commission

**Date:** January 24, 2023

**Re:** Meeting with Marilyn Waite, Climate Finance Fund

---

On January 23, staff from the Office of the Chair met with Marilyn Waite, from the Climate Finance Fund, about the SEC’s proposal for the enhancement and standardization of climate-related disclosures for investors. Tyler Gellash joined the conversation in his capacity as a consultant to the Climate Finance Fund. During the meeting, the participants discussed a forthcoming report about the use of climate-related disclosures and data by third party data providers to inform investors about climate-related risks and opportunities. The report will be submitted to the comment file when it is finalized.

**Attendees:**

- Mika Morse, Policy Counsel, Chair’s Office
- Marilyn Waite, Managing Director, Climate Finance Fund
- Tyler Gellash, Co-Founder, Myrtle Makena LLC
