

MEMORANDUM

To: Comment File (S7-10-22) – The Enhancement and Standardization of Climate-Related Disclosures for Investors

From: The Office of the Chair, U.S. Securities and Exchange Commission

Date: December 20, 2022

Re: Meeting with London Stock Exchange Group

On December 16, staff from the Office of the Chair met with the London Stock Exchange Group (LSEG) about the SEC’s proposal for the enhancement and standardization of climate-related disclosures for investors. During the meeting, the participants discussed LSEG’s support for the proposed disclosures, particularly disclosures related to Scope 1 and 2 emissions and public targets and goals. They discussed investors’ demand for active and passive investment options that take into account climate risks.

LSEG Attendees:

- Chip Thresher, Director of Government Relations and Regulatory Strategy, North America
- David Harris, Head of Sustainable Finance Strategic Initiatives and Partnerships
- Elena Philipova, Director of Sustainable Finance and ESG Data
- Jaakko Kooroshy, Global Head of Sustainable Investment Research, FTSE Russell

SEC Attendees:

- Mika Morse, Policy Counsel, Chair’s Office
