RE: Meeting with Representatives of Toppan Merrill LLC
DATE: February 10, 2022

On Wednesday, February 2, 2022, representatives of the Securities and Exchange Commission (“SEC”) participated in a meeting with representatives of Toppan Merrill LLC (“Toppan”), which had previously submitted a comment letter to the SEC in response to the Request for Comment on Potential Technical Changes to EDGAR Filer Access and Filer Account Management Processes.¹ The SEC representatives were Jed Hickman, Rosemary Filou, and Daniel Chang, of the EDGAR Business Office, with relevant SEC contractors also in attendance. The Toppan representatives included Jennifer Froberg, Eva Schaeffer, Theresa Jasper, Gordon Ruckdeschel, Chase Bongirno, and Tim Wysocki.

The meeting was held as part of the staff’s efforts to seek additional information and engage in a dialogue regarding the concerns raised by commenters in response to the Commission’s Request for Comment, pursuant to the Chair’s request that the staff consider how the agency might address concerns articulated by commenters. The participants discussed the EDGAR Next project, including EDGAR filer access and filer account management processes, as well as the EDGAR Beta.
