Re: Reporting of Securities Loans (File No. S7-18-21)

Dear Secretary Countryman:

I am writing in strong support of rule 10c-1, "Reporting of Securities Loans".

It is my belief that transparency in the market is the only way forward for true competitive capitalism to thrive - it is important for as many people to have as much information regarding their trades as possible, so that they can make correct judgements on investments and know that their money goes towards the right companies.

I am sure the SEC will do what is right to the benefit of all investors.

Sincerely,

A Concerned Investor
