Re: Reporting of Securities Loans (File No. S7-18-21)

Dear Secretary Countryman:

I am writing in strong support of rule 10c-1, "Reporting of Securities Loans".

As a retail Investor I support any and all added transparency to the market. There is no reason a large predatory hedge fund should get the advantage of hiding their moves. I support transaction-by-transaction reporting, the 15-minute reporting requirement, and larger punitive punishments for entities caught naked short selling a company. An entity cannot be allowed to treat fines as a cost of doing business.

Sincerely,

A Concerned Investor
