Re: Reporting of Securities Loans (File No. S7-18-21)

Dear Secretary Countryman:

I am writing in strong support of rule 10c-1, "Reporting of Securities Loans".

Due to the increased transparency that would result in the rule. This would give retail investors security and comfort that they are not investing in a rigged system. This could result in more retail investors participating in the market. And when has transparency been a bad thing.

Sincerely,

A Concerned Investor
