**Re: Reporting of Securities Loans (File No. S7-18-21)**

Dear Secretary Countryman:

I am writing in very strong support of rule 10c-1, "Reporting of Securities Loans."

Retail investors have essentially been left in the dark when it comes to the ins and outs of trading practices. They have a right to know their securities are being lent as they (a) lose their right to vote and (b) lose their tax-qualified dividends. I believe in shared revenue from the lending of their shares to retail investors. Lastly, I see onward lending as something to be entirely eliminated altogether and with that all loans to require a due date.

Thank you for this opportunity to comment on this very important issue. May faith be restored in the markets.

Sincerely,

Chase Sullivan-Doyle
