Subject: S7-32-22

I am in support of the following regulation enhancements proposed. This includes S7-32-22, S7-31-22, S7-30-22, and S7-29-22 that were all proposed on December 14<sup>th</sup>, 2022.

In order for the market this country has built to function properly, stern regulatory measures that prevent defrauding of consumers and exploitation of workers to produce goods is required to advance the American experiment into the future.

Best,

Brandon Smith
