The Securities and Exchange Commission

February 21,2014

Dear Secretary,

I am writing in support of The Security and Exchange Commission Strategic Plan 2014-2018, in particular Strategic Objective 1.1 relating to Initiative: **Improve transparency and oversight of small capitalization securities.**

Further I support the Commission Strategic Objective 1.4, in particular the Initiative to: **Coordinate closely with the Investor Advisory Committee.** It is my opinion that the Investor Advisory Committee should have input and add knowledge to the subject of investor awareness and participation in **small capitalization securities.**

On a separate matter, I would be pleased to serve on an Investor Advisory Committee should the Commission be a nominating source for participant membership.

Sincerely,

K. Richard B. Niehoff
