RE: File Number SR-FINRA-2009-060

Dear Ms. Murphy,

Thank you for the opportunity to comment on the changes to FINRA rule 8210.

I am very much in favor of these changes as written. I would also like to make certain our FINRA examiners who are in the field, 1) are aware of these changes, 2) are aware of how they can use these powers to gather more information and 3) have the knowledge and resources to be able to understand and use potential information gathered because of this change.

In reading the Madoff/Stanford report from FINRA's board, it seems to me there is a fundamental breakdown within FINRA, FINRA's field examiners and FINRA's legal department as to how to proceed in complex situations when multiple agencies are or seem to be involved.

Thank you again for this opportunity.

Regards,
