## For Retail Investors

TUESDAY

**JUNE 8, 2021**

**5 - 6 p.m. ET**

Join the U.S. Securities and Exchange Commission, Fordham Law School and Gabelli School of Business for a conversation about online investing misinformation, options and margin trading, and other investing risks

We will cover topics like trading based upon information on social media, things to consider when using a brokerage firm that does not charge commissions, cryptocurrency, and much more.
