ORDER FOLLOWING PREHEARING
CONFERENCE

Today I held a telephonic prehearing conference, at which counsel for the Division of Enforcement appeared. No Respondent appeared. Counsel informed me that the Commission's Office of International Affairs sent a copy of the order instituting proceedings to China in an attempt to establish service on China Linen Textile Industry, Ltd., the only Respondent who has not yet been served. Based on his representation, I directed Division counsel to provide an update on the status of service nine months from the date the Office of International Affairs sent the OIP.
