UNITED STATES DISTR for the SOUTHERN DISTRICT O	of FLORIDA 97 JAN 30 AM II: 42
SECURITIES AND EXCHANGE COMMISSION,	CAMECS JUENKE CLERK U.S. DIST. CT. S.D. OF FLAMIAMI
Plaintiff,) CIVIL ACTION NO:
v.	97-8064
RONALD J. MITCHELLETTE AND ROBERT HARDY,	CIV - HURLEY MAGISTRATE JUDGE LYNCH
Defendants.)

COMPLAINT FOR INJUNCTIVE AND OTHER RELIEF

Plaintiff, Securities and Exchange Commission ("Commission"), alleges that:

- 1. This is an action for injunctive and other relief to prevent defendants Ronald J. Mitchellette ("Mitchellette") and Robert Hardy ("Hardy") from violating the federal securities laws by committing material misrepresentations or omissions, either in the direct solicitation of investors or in the preparation or distribution of offering materials, in connection with the offer and sale of securities.
- 2. Mitchellette's and Hardy's activities resulted in approximately \$1 million in losses to investors. Immediate injunctive relief is required to ensure that they do not fraudulently induce additional investors to entrust funds to them.

THE DEFENDANTS

- 3. Defendant Mitchellette, age 60, was chairman, CEO and president of Carlisle-Asher Management Company ("CAMC"), an investment advisory firm. He was also an indirect shareholder of CAMC.
- 4. Defendant Hardy, age 63, was CAMC's director of marketing between April 1992 and January 1993, before becoming CAMC's president, chief operating officer and a director from January 1, 1993 to November 12, 1993. At all relevant times, Hardy was registered with the Commission as a securities broker.

RELATED ENTITY

5. CAMC was incorporated in Delaware on February 8, 1975, but was administratively dissolved on March 1, 1994 for failing to pay state taxes. CAMC's corporate charter was reinstated by the State of Delaware on or about February 14, 1995. CAMC was registered with the Commission as an investment adviser from 1968 through 1993.

JURISDICTION AND VENUE

6. This Court has jurisdiction over this action pursuant to Sections 20(b) and 22(a) of the Securities Act of 1933 ("Securities Act"), 15 U.S.C. §§ 77t(b) and 77v(a), and pursuant to Sections 21(d), 21(e) and 27 of the Securities Exchange Act of 1934 ("Exchange Act"), 15 U.S.C. §§ 78u(d), 78u(e), and 78aa.

- 7. The Commission brings this action pursuant to Section 20(b) of the Securities Act, 15 U.S.C. § 77t(b), and Sections 21(d) and 21(e) of the Exchange Act, 15 U.S.C. §§ 78u(d) and 78u(e), to restrain and enjoin Mitchellette and Hardy from engaging in such acts and practices, and for other equitable relief against Mitchellette and Hardy.
- 8. Certain of the acts and transactions constituting violations of the Securities Act and the Exchange Act occurred within the Southern District of Florida. Mitchellette and Hardy maintained and operated an office, operated CAMC and engaged in the acts and practices complained of herein within the Southern District of Florida. CAMC's principal place of business was in the Southern District of Florida. Hardy resides in Palm Beach, Florida. Mitchellette resides in San Francisco, California.
- 9. Mitchellette and Hardy, directly or indirectly, have made use of the means and instrumentalities of interstate commerce and the means and instruments of transportation and communication in interstate commerce, and the mails, in connection with the acts, practices, and courses of business complained of herein.

OVERVIEW OF THE SCHEME

10. Between April 1992 and March 1993, CAMC issued and sold, in a private offering, debt securities to approximately 50 investors by

means of a fraudulent offering document ("Private Placement Memorandum" or "PPM") prepared, jointly, by Mitchellette and Hardy, with the assistance of counsel. The PPM contained false and misleading statements concerning the source and value of feegenerating mutual funds under CAMC's management; legal proceedings against CAMC and its parent company; CAMC's efforts to acquire other investment advisers; CAMC's financial condition; the amount of commissions paid to brokers; the backgrounds and composition of CAMC's management; and the use of offering proceeds. In all, the Defendants raised \$1,000,000 in the CAMC offering. The investors lost virtually all of their investment.

NATURE OF THE SECURITIES

11. From April 1992 through March 1993, the PPM was used to induce investors to purchase the subject securities -- promissory notes issued by CAMC. CAMC investors purchased the notes to earn profit -- a guaranteed rate of return -- and for the opportunity to later convert the convertible notes into shares of CAMC common stock. The investors' funds were to be used by CAMC for its business operations and for purported expansion through the acquisition of other investment advisory firms. The investment returns to each investor were dependent upon the efforts of CAMC's management, namely, Mitchellette and Hardy.

MISREPRESENTATIONS AND OMISSIONS

12. The PPM used in CAMC's securities offering, prepared by Defendants Mitchellette and Hardy, contained misrepresentations and omissions of material fact calculated to deceive investors and prospective investors including, among other things, the following:

A. Overstatement of the Value of Funds under CAMC's Management

- 13. The PPM inflated the value of CAMC's advisory portfolio in order to show an enhanced fee-generating capacity. The chief instance was the statement in the PPM that "[CAMC] recently acquired Centurion Capital Management Co., Inc. ['Centurion'], ... an investment management firm" and that CAMC, "together with the Centurion acquisition currently has over \$140,000,000 under management."
- 14. The foregoing statement was materially false. CAMC never purchased Centurion; it was purchased in August 1991 by CAMC's parent company, Carlisle Management Acquisition Company ("Carlisle Management"), which was owned by Mitchellette and an associate. CAMC never had any legal rights to manage or otherwise derive benefits from Centurion. At the time of the offering, and all times thereafter, CAMC managed only Afuture Fund (the "Fund"), an investment company registered with the Commission, which had a

portfolio of just \$5 million, and which proved to be entirely unprofitable to CAMC.

- 15. By attributing to CAMC \$140 million "under management," the PPM, without basis, imputed to CAMC the "benefit" of the Centurion acquisition.
- 16. The representations regarding the Centurion acquisition were misleading for three additional reasons:
- a) Not only did CAMC not "acquire" Centurion, but its actual purchaser, Carlisle Management, acquired Centurion in the qualified sense of an installment-based purchase. The PPM failed to disclose this fact, or the fact that Carlisle Management was a shell corporation with no assets (other than its ownership of CAMC) and no revenues. CAMC investors could not have known by reading the PPM that Carlisle Management, not CAMC, was Centurion's purchaser, or that Centurion's actual purchaser (Carlisle Management) had no independent means of satisfying its payment obligation under the installment contract.
- b) In June 1991, approximately 11 months prior to the CAMC offering, Mitchellette had pledged all issued and outstanding shares of stock in Carlisle Management to an elderly couple (the "Jacobsons") as security for a \$350,000 loan used to fund Carlisle Management's purchase, in 1991, of CAMC. By April 1992, the date of

the offering, the loan was in default. This fact, which was material to Carlisle Management's ability to complete the Centurion acquisition as well as to the future ownership and control of CAMC, was not disclosed in the PPM. The Jacobsons later filed suit to collect on the loan and, on November 2, 1992, Mitchellette, CAMC and Carlisle Management, among others, agreed to pay the couple more than \$364,000 in settlement. The PPM was never modified to disclose the lawsuit or the settlement, even though CAMC, the issuer of the offering, was a party to both.

c) As of year end 1991, Centurion itself managed funds with an approximate total value of only \$35 million. The remaining \$100 million, which CAMC gave the misleading impression resulted from its purchase of Centurion, involved a sham one-page "Investment Advisory Agreement" between Centurion and an insurance company, Investors Insurance Corp. ("IIC"), purportedly for the management by Centurion of IIC's alleged \$100 million portfolio. In return, Centurion was entitled, as set forth in the advisory agreement, to a maximum annual fee of \$1000 -- a fee percentage vastly less than the industry norm. The PPM failed to disclose this fee limitation, in spite of the express reference in the PPM "Summary" to CAMC's "140 million under management," an amount expressly linked -- also in the PPM Summary -- to CAMC's "profitability."

B. CAMC's Purported "Agreement" with Alla Corp.

- 17. The PPM also falsely characterized the status of negotiations involving CAMC as prospective purchaser of another investment advisory firm, Alla Corp. ("Alla"). By Mitchellette's own admission, the acquisition of Alla was crucial to CAMC's financial survival.
- 18. The PPM misrepresented that "The Company [CAMC] has entered into an agreement scheduled to close on June 30, 1992, to acquire an asset management company with approximately \$45,000,000 of funds under management and a historical annual fee income of approximately \$450,000." In fact, neither CAMC nor any of its affiliates ever entered into a purchase agreement with Alla. Further, there was no reasonable basis to even suggest that a deal between the two companies would close by June 30, 1992.
- 19. At the time Mitchellette and Hardy drafted the Alla statement, they knew or should have known there was no written agreement between CAMC and Alla. They also knew the potential significance of such an acquisition to CAMC's financial future in light of their knowledge of CAMC's infirm financial condition.

 Despite this knowledge, and the certainty that a prospective CAMC investor would attribute material significance to the Alla representation, they included it in the PPM based solely on

preliminary negotiations between the two companies and an unexecuted letter "agreement to agree."

20. The PPM is further misleading since it fails to disclose the material fact that the source of the \$250,000 downpayment CAMC was to pay to acquire Alla, as set forth in the drafts of the purchase agreement, would have been CAMC's private placement proceeds. In other words, there was no disclosure in the PPM that the purported "agreement scheduled to close on June 30, 1992" could not have closed unless CAMC had succeeded by that time in raising \$250,000 through its offering.

C. CAMC's Fraudulent Balance Sheet

Appended to each distributed copy of the PPM was a onepage exhibit entitled "Financial Statements." These financials. which were prepared by Mitchellette, were misleading because they attributed \$298,874 to CAMC as "intangible assets," representing the cost of CAMC's purported acquisition of Centurion when, as discussed above, Carlisle Management, not CAMC, was the purchaser of Centurion. The financials were further misleading because they failed to include a \$91,000 contingent liability associated with the installment The purchase agreement underlying acquisition of Centurion. Centurion's acquisition called for a \$91,000 payment over a specified period.

22. In addition, the same financials were utilized even after Centurion was returned, at a substantial loss, to its original owner, and after CAMC consented to a \$364,000 judgment, with no disclosure or accounting of these material subsequent events.

D. The 8% Brokerage Commission

23. The PPM fraudulently misstated the brokerage commission paid in connection with the CAMC private placement: the commission was 12%, not the 8% repeatedly mentioned in the PPM. The increased amount was the result of a 4% "overriding" commission or "referral fee" that Mitchellette and Hardy agreed to pay to one broker for referring another high-producing broker. In fact, Hardy, who personally made two sales totalling \$160,000, received a 12% commission for his sales.

E. Undisclosed Resignations of Management

24. Mitchellette and Hardy fraudulently concealed from CAMC's investors the resignation of Milton Barbarosh ("Barbarosh"), a Canadian-chartered accountant, as CAMC's chairman. As early as January 1992, Barbarosh expressed to Mitchellette his intention to resign the position and his concern that official acknowledgement of his intention be made without delay. Over the next several months Mitchellette repeatedly assured Barbarosh that he would "take care of it." To the contrary, Mitchellette, with Hardy's concurrence,

identified Barbarosh as chairman of CAMC, with a lengthy personal profile, in the PPM they drafted.

- 25. On June 12, 1992, Barbarosh issued a written resignation as CAMC's chairman. A CAMC resolution acknowledging the resignation followed that same day. Aware generally that CAMC was conducting a private offering, Barbarosh sought confirmation in a letter dated July 14, 1992 to Mitchellette and CAMC's counsel that his name was not included in any CAMC offering memorandum. As on many prior occasions, Barbarosh was assured that there was no such reference.
- 26. In September 1992, Barbarosh learned, when he chanced upon a copy of the PPM, that he had -- all along and despite assurances to the contrary -- been identified in the document as CAMC's chairman.
- 27. Mitchellette and Hardy also fraudulently concealed from CAMC investors the resignation of David Olmsted ("Olmsted") as executive vice president of CAMC. Olmsted, identified in the PPM as "Executive Vice President," and garnering almost a full-page curriculum vitae, resigned as an officer of CAMC on April 8, 1992.

DIVERSION OF OFFERING PROCEEDS

28. In October and November 1992, Mitchellette misappropriated \$258,334 of CAMC's offering proceeds to purchase newly-issued common stock of a Palm Beach, Florida bank holding company, Governors Bank Corp. ("GBC"), which he placed in the name of a nominee company.

Mitchellette used an additional \$10,000 of CAMC offering proceeds to purchase additional GBC shares pursuant to stock option agreements with two dissident GBC shareholders. Not a single GBC share, however acquired, was ever registered in the name of CAMC.

29. In the latter months of 1993, Mitchellette arranged for the sale to a number of individuals of approximately one half of the GBC stock that he had purchased with offering proceeds. In all but a few instances, the sales of GBC stock directly enriched Mitchellette, with no benefit, direct or indirect, to CAMC or its investors. In November 1993, Mitchellette assigned his remaining shares of GBC stock to a creditor, in satisfaction of a personal loan the creditor had extended to Mitchellette in 1992. Hardy became aware in late 1992, upon becoming president of CAMC, that offering proceeds had been used by Mitchellette to purchase GBC stock in the name of Mitchellette's nominee. He did not pursue the issue.
