1.0 Administrator User Form

Administrator Users (aka “Admin User”) are given full privileged rights to the KOR system on behalf of the Client specific to assigned KOR Services. For such KOR Services, the Admin User has visibility to user lists and authority to add, edit and remove Client Users. Further, Admin Users may edit Client wide settings, submit data, and can view and download reports. There must be at least two Administrator Users per KOR Service subscribed by Client.

2.0 Appendix A: Exhibits

Regulator	Exhibit	Exhibit Description
-----------	---------	---------------------

CFTC	P-5	<p>Attach as Exhibit P, copies of all material contracts with any swap execution facility, designated contract market, clearing agency, central counterparty, or third party service provider. To the extent that form contracts are used by the Applicant, submit a sample of each type of form contract used. In addition, include a list of swap execution facilities, designated contract markets, clearing agencies, central counterparties, and third party service providers with whom the Applicant has entered into material contracts. Where swap data repository functions are performed by a third-party, attach any agreements between or among the Applicant and such third party, and identify the services that will be provided.</p> <p>Where swap data repository functions are performed by a third-party, attach any agreements between or among the Applicant and such third party, and identify the services that will be provided.</p>
SEC	I-5	<p>22. Attach as Exhibit I copies of all material contracts with any security-based swap execution facility, clearing agency, central counterparty, or third party service provider. To the extent that form contracts are used by the applicant, submit a sample of each type of form contract used. In addition, include a list of security-based swap execution facilities, clearing agencies, central counterparties, and third party service providers with whom the applicant has entered into material contracts.</p>
Canada	H-5	<ol style="list-style-type: none"> 1. A complete set of all forms, agreements or other materials pertaining to access to the services of the trade repository described in Exhibit E.4. 2. Describe the types of trade repository participants. 3. Describe the trade repository's criteria for access to the services of the trade repository. 4. Describe any differences in access to the services offered by the trade repository to different groups or types of participants. 5. Describe conditions under which the trade repository's participants may be subject to suspension or termination with regard to access to the services of the trade repository. 6. Describe any procedures that will be involved in the suspension or termination of a participant. 7. Describe the trade repository's arrangements for permitting clients of participants to have access to the trade repository. Provide a copy of any agreements or documentation relating to these arrangements.
