EXTENSION ORDER

The Financial Industry Regulatory Authority (“FINRA”) has requested an extension of time to file the certified record, now due March 20, 2015. FINRA cites they did not maintain the voluminous record and it contains approximately 15,0000 pages. Extensions of time are disfavored. It appears appropriate, however, to grant FINRA’s request. Therefore,

It is ORDERED that the time for filing the certified record is extended to April 1, 2015.

For the Commission, by its Secretary, pursuant to delegated authority.

Lynn M. Powalski
Deputy Secretary
