In the Matter of	:	
	:	
Unikrn, Inc.	:	AMENDED PLAN OF
	:	DISTRIBUTION
	:	
Respondent.	:	
	:	

I. OVERVIEW

1. The Division of Enforcement submits this Amended Plan of Distribution (the “Plan”) to the United States Securities and Exchange Commission (the “Commission”) pursuant to Rule 1101 of the Commission’s Rules on Fair Fund and Disgorgement Plans (the “Commission’s Rules”), 17 C.F.R. § 201.1101. This Plan provides for the distribution of a Fair Fund (the “Fair Fund”) comprised of civil money penalties paid by Unikrn, Inc. (“Unikrn” or the “Respondent”) in the above-captioned matter.¹

2. As described more specifically below, the Plan seeks to compensate investors who were harmed by the Respondent’s conduct described in the Order, in connection with their purchase of Unikoin Gold (“UKG”), a digital token, directly from Unikrn, Inc. Based on information obtained by the Commission staff during and after its investigation and the review and analysis of applicable records, the Commission staff and the Fund Administrator have reasonably concluded that they have sufficient records necessary to calculate each investor’s harm. As a result, the Fair Fund is not being distributed according to a claims-made process, so procedures for making and approving claims in accordance with Rule 1101(b)(4) of the Commission’s Rules, 17 C.F.R. § 201.1101(b)(4), are not applicable.

3. As calculated using the methodology detailed in the Plan of Allocation (attached as Exhibit A), investors will be compensated for their losses in UKG tokens that were purchased or acquired directly from Unikrn, Inc. in either the pre-sale or ICO phase of the securities offering (“Offering”) between June 11 and November 7, 2017 (the “Relevant Period”).

¹ See Order Instituting Cease-and-Desist Proceedings Pursuant to Section 8A of the Securities Act of 1933, Making Findings, and Imposing Penalties and a Cease-and-Desist Order, Securities Act Rel. No. 10841 (Sept. 15, 2020) (the “Order”).

4. In the view of the Commission staff, this methodology constitutes a fair and reasonable allocation of the Fair Fund.

5. The Commission has custody of the Fair Fund and shall retain control of the assets of the Fair Fund. The Plan is subject to approval by the Commission, and the Commission retains jurisdiction over its implementation.

II. BACKGROUND

6. On September 15, 2020, the Commission issued the Order instituting and simultaneously settling cease-and-desist proceedings against the Respondent. In the Order, the Commission found that between June and October 2017, Unikrn, an operator of an online e-Sports gaming and gambling platform, conducted an Offering in two phases - a so-called pre-sale and an initial coin offering (“ICO”) - in which it raised \$31 million through the sale of UKG, a digital token. Unikrn represented to investors that they would be able to access a variety of products and services with their UKG tokens, including placing bets on professional eSports and video game matches, and that over time Unikrn would make more features available. Unikrn further represented that it would facilitate a secondary trading market for the tokens and that its efforts to increase the usages for the UKG token would increase the demand for and in turn, the value of the tokens. Unikrn did not register the offer and sale of the tokens pursuant to federal securities laws, nor did the offering qualify for an exemption from the registration requirements. The Commission ordered the Respondent to pay a \$6,100,000.00 civil money penalty to the Commission. The Commission also created the Fair Fund, pursuant to Section 308(a) of the Sarbanes-Oxley Act of 2002, so the penalty paid can be distributed to harmed investors.

7. The Respondent has paid in full. The Fair Fund has been deposited in a Commission-designated account at the United States Department of the Treasury and any accrued interest will be added to the Fair Fund.

V. FUND ADMINISTRATOR

26. On December 2, 2021, the Commission appointed Guidehouse, BakerHostetler, and Pace as the fund administrator for the Fair Fund (the “Fund Administrator”), and the Fund Administrator has obtained a bond in the amount of \$6,100,000, as ordered.⁴ Pursuant to Rule 1105(a) of the Commission’s Rules, 17 C.F.R. § 201.1105(a), the Fund Administrator may be removed at any time by order of the Commission or hearing officer.

27. The Fund Administrator will be responsible for administering the Fair Fund in accordance with the Plan. This will include, among other things, taking reasonable steps to obtain accurate mailing information for Preliminary Claimants; establishing a website and staffing a call center to address inquiries regarding the Plan; disseminating the Plan Notice; preparing accountings; cooperating with the Tax Administrator appointed by the Commission to satisfy any tax liabilities and to ensure compliance with income tax reporting requirements, including but not limited to Foreign Account Tax Compliance Act (FATCA); disbursing the Fair Fund in accordance with this Plan, as ordered by the Commission; and researching and reconciling errors and reissuing payments, when possible.

28. To carry out the purposes of this Plan, the Fund Administrator is authorized to make and implement immaterial changes to the Plan upon agreement of the Commission staff. If

a change is deemed to be material by the Commission staff, Commission approval is required prior to implementation by amending the Plan.

29. The Fund Administrator may extend any procedural deadline contained in the Plan for good cause shown, if agreed upon by the Commission staff.

30. When administering this Plan, the Fund Administrator, and/or each of its designees, agents and assigns, may rely on: all applicable law; orders issued by the Commission, including orders issued by delegated authority; orders issued by an administrative law judge, if any, appointed in this proceeding; and any records, including records containing investor information, provided by Commission staff.

31. The Fund Administrator is authorized to enter into agreements with third parties as may be appropriate or necessary in the administration of the Fair Fund, provided such third parties are not excluded pursuant to other provisions of this Plan. In connection with such agreements, the third parties shall be deemed to be agents of the Fund Administrator under this Plan.

32. The Fund Administrator will be entitled to payment from the Fair Fund of reasonable fees and expenses, including the bond premium, incurred in the performance of its duties (including any such fees and expenses incurred by agents, consultants or third parties retained by the Fund Administrator in furtherance of its duties).

VI. PLAN PROCEDURES

Specification of Preliminary Claimants

33. Using information obtained during and after its investigation, the Commission has identified the Preliminary Claimants. Preliminary Claimants are limited to only those Persons who may have suffered a loss as a result of purchasing or acquiring UKG tokens directly from Unikrn during the Relevant Period.

Procedures for Locating and Notifying Preliminary Claimants

34. Within thirty (30) days of Commission approval of the Plan, the Fund Administrator will:

- (a) Establish and maintain a website devoted solely to the Fair Fund. The Fair Fund's website will make available a copy of the approved Plan, include a copy of the Plan Notice, and related materials in downloadable form, and such other information that the Fund Administrator believes will be beneficial to Preliminary Claimants.
- (b) Establish and maintain a toll-free telephone number for Preliminary Claimants to call and speak to a live representative of the Fund

Administrator during its regular business hours or, outside of such hours, to hear pre-recorded information about the Fair Fund.

- (c) Establish and maintain a traditional mailing address and an email address which will be listed on all correspondence from the Fund Administrator to Preliminary Claimants as well as on the Fair Fund's website.
- (d) Establish and maintain a case specific database of all Preliminary Claimants based upon information provided to and obtained by the Fund Administrator, including the last known physical and email addresses.
- (e) Run a National Change of Address search to retrieve updated addresses for all records in the database, thereby ensuring the mailing information for Preliminary Claimants is up-to-date; and
- (f) Send a Plan Notice to each Preliminary Claimant's last known email address (if known) and/or mailing address.

35. The Commission staff retains the right to review and approve any material posted on the Fair Fund's website, any communication with investors, and any scripts used in connection with communications with investors.

Undeliverable Mail

36. The Fund Administrator will attempt to locate any Preliminary Claimant whose mailing is returned as undeliverable by the U.S. Postal Service or otherwise, including an advanced address search using commercially available resources, if feasible, and will document all such efforts. If another address is obtained, the Fund Administrator will then resend it the Preliminary Claimant's new address within fourteen (14) days of receipt of the returned mail. If the mailing is returned again, and the Fund Administrator, despite best practicable efforts, is unable to find a Preliminary Claimant's correct address, the Fund Administrator, in its discretion, may deem such Preliminary Claimant an Unresponsive Preliminary Claimant.

37. The Fund Administrator, with Commission staff approval, may engage a third-party search firm to conduct more rigorous searches for Persons whose mailings are returned as undeliverable.

38. Any Preliminary Claimant who relocates or otherwise changes contact information after receipt of the Plan Notice must promptly communicate any change in address or contact information to the Fund Administrator.

Procedures to Request Plan Notice

39. Any Person who does not receive a Plan Notice, as described in paragraph 34(f), but who is aware of this Plan (e.g., through other Preliminary Claimants or on www.sec.gov) and believes they should be included as a Preliminary Claimant should contact the Fund

Administrator, in writing, within sixty (60) days from the approval of the Plan to establish that they should be considered a Preliminary Claimant. Such Person should include with that communication, documentation, including blockchain transactional data, sufficient to support their claim that they should be considered a Preliminary Claimant, as well as contact information (physical address, telephone number, and email address, if available) for responsive communications.

40. The Fund Administrator will verify each Preliminary Claimant's control over a digital or physical wallet. If in the discretion of the Fund Administrator, a Preliminary Claimant fails to prove control over a digital or physical wallet within the allotted time he, she or it will be deemed ineligible to participate in the distribution of the Fair Fund.

41. The Fund Administrator will have the right to request any additional information and/or documentation, including information supporting complicated transaction histories or involving certain cryptocurrency exchanges. Persons who fail to timely provide additional information as requested will be deemed ineligible.

42. The Fund Administrator will send the Person a Plan Notice within twenty (20) days of receiving the Person's documentation and proof of address ownership, if the Fund Administrator determines that the Person should have received a Plan Notice.

Failure to Respond to Plan Notice

43. If a Preliminary Claimant is requested to respond and fails to respond within thirty (30) days from the initial mailing of the Plan Notice, the Fund Administrator will make no fewer than two (2) attempts to contact the Preliminary Claimant by telephone or email. The second attempt will in no event take place more than sixty (60) days from the initial mailing of the Plan Notice. If a Preliminary Claimant fails to respond to the Fund Administrator's contact attempts as described in this paragraph, the Fund Administrator, in its discretion, may deem such Preliminary Claimant an Unresponsive Preliminary Claimant.

Distribution Methodology

44. The Fund Administrator will calculate each Preliminary Claimant's Recognized Loss in accordance with the Plan of Allocation using blockchain technology. All Preliminary Claimants who are determined to have a Recognized Loss, and who are not deemed an Excluded Party or an Unresponsive Preliminary Claimant will be deemed an Eligible Claimant. All Eligible Claimants whose distribution amount is equal to or greater than \$10.00, as calculated in accordance with the Plan of Allocation, will be deemed a Payee and receive a Distribution Payment.

Establishment of a Reserve

45. Before determining the amount of funds available for distribution and calculating each Payee's Distribution Payment, the Fund Administrator, in conjunction with the Tax

Administrator, will establish a reserve to pay Administrative Costs and to accommodate any unexpected expenditures (the “Reserve”).

46. After all Distribution Payments are made and Administrative Costs paid, any remaining amounts in the Reserve will become part of the Residual described in paragraph 66 below.

Preparation of the Payment File

47. Within one hundred eighty (180) days of Commission approval of the Plan, the Fund Administrator will compile and send to the Commission staff the Payee information, including the name, address, calculated Recognized Loss, and the amount of the Distribution Payment for all Payees (the “Payee List”). The Fund Administrator will also provide a Reasonable Assurances Letter to the Commission staff, representing that the Payee List: (a) was compiled in accordance with the approved Plan; (b) is accurate as to Payees’ names, addresses, Recognized Losses and amounts of their Distribution Payment; (c) includes the number of Payees compensated; (d) the percentage of the Payee’s Recognized Loss being compensated by the disbursement from the Fair Fund, and if applicable, the total percentage to include all prior disbursements; (e) the total amount of funds to be disbursed; and (f) provides all information necessary to make a payment to each Payee.

The Escrow Account

48. Prior to the disbursement of funds from the Net Available Fair Fund, the Fund Administrator will establish an escrow account (the “Escrow Account”) with a United States commercial bank that is a well-capitalized financial institution as defined by the Federal Reserve Act, Subpart D, 12 C.F.R. § 208.43 and that is not unacceptable to the Commission staff (the “Bank”), pursuant to an escrow agreement (the “Escrow Agreement”) to be provided by Commission staff.

49. The Fund Administrator, pursuant to the Escrow Agreement, shall also establish with the Bank a separate deposit account (*e.g.*, controlled distribution account, managed distribution account, linked checking and investment account) (the “Distribution Account”), insured by the Federal Deposit Insurance Corporation (“FDIC”) up to the guaranteed FDIC pass through limit. The Distribution Account shall be linked with the Escrow Account and shall be named, and records maintained, in accordance with the Escrow Agreement.

50. During the term of the Escrow Agreement, the portions of the Fair Fund transferred to the Escrow Account (the “Escrow Property”) shall be invested and reinvested in short-term U.S. Treasury securities backed by the full faith and credit of the United States Government or an agency thereof. The investment shall be, of a type and term necessary to meet the cash liquidity requirements for payments to Payees and Administrative Costs, including investment or reinvestment in a bank account insured by the FDIC up to the guaranteed FDIC limit, or in money market mutual funds registered under the Investment Company Act of 1940 that invest 100% of their assets in direct obligations of the United States Government.

51. The Fund Administrator shall provide duplicate original bank and/or investment statements on any accounts established by the Fund Administrator to the Tax Administrator on a monthly basis and shall assist the Tax Administrator in obtaining mid-cycle statements, as necessary.

52. The Fund Administrator, in consultation with the Commission staff, shall work with the Bank on an ongoing basis to deposit or invest funds in the Escrow and Distribution Accounts so as to result in the maximum reasonable net return, taking into account the safety of such deposits or investments and tax implications; and to determine an allocation of funds between the Escrow and Distribution Account.

53. All interest, dividends, and/or income earned by the Escrow Property will accrue for the benefit of the Escrow Property. All Administrative Costs associated with the Escrow and Distribution Accounts will be the responsibility of the Fund Administrator, who may be reimbursed for said costs as provided in this Plan. No such Administrative Costs may be paid to the Bank, its agents, and/or its affiliates from the Escrow Property.

Distribution of the Fair Fund

54. Upon the Commission's staff's receipt, review, and acceptance of the Payee List and Reasonable Assurances Letter from the Fund Administrator, the Commission staff will seek an order from the Commission pursuant to Rule 1101(b)(6) of the Commission's Rules, 17 C.F.R. § 210.1101(b)(6), to disburse funds from the Net Available Fair Fund to the Bank for distribution by the Fund Administrator in accordance with the Plan. All disbursements will be made pursuant to a Commission Order.

55. Upon issuance of an order to disburse, the Commission staff will direct the transfer of funds in accordance with the Payee List to the Bank. The Fund Administrator will then use its best efforts to commence mailing Distribution Payment checks and/or effect electronic payments within fourteen (14) business days of the release of the funds into the Escrow Account. All efforts will be coordinated to limit the time between the Escrow Account's receipt of the funds and the issuance of Distribution Payments.

56. All checks will be issued by the Fund Administrator from the Distribution Account. All checks will bear a stale date of ninety (90) days from the date of issuance. Checks that are not negotiated by the stale date will be voided, and the Bank will be instructed to stop payment on those checks. A Payee's claim will be extinguished if he, she, or it fails to negotiate his, her or its check by the stale date, and the funds will remain in the Fair Fund, except as provided in paragraph 60.

57. All Distribution Payments will be preceded or accompanied by a communication that includes, as appropriate: (a) a statement characterizing the distribution; (b) a statement that the tax treatment of the distribution is the responsibility of each Payee and that the Payee should consult his, her or its tax advisor for advice regarding the tax treatment of the distribution; (c) a statement that checks will be void and cannot be reissued after ninety (90) days from the date the original check was issued; and (d) contact information for the Fund Administrator for questions

regarding the Distribution Payment. The letter or other mailings to Payees characterizing a Distribution Payment will be submitted to the Tax Administrator and Commission staff for review and approval.

58. All Distribution Payments, either on their face or in the accompanying mailing, will clearly indicate that the money is being distributed from the Fair Fund established by the Commission to compensate investors for harm as a result of securities law violations.

Post Distribution; Handing of Returned or Uncashed Checks; and Reissues

59. The Fund Administrator shall use its best efforts to make use of commercially available resources and other reasonably appropriate means to locate all Payees whose checks are returned to the Fund Administrator as “undeliverable.” If new address information becomes available, the Fund Administrator will repackage the distribution check and send it to the new address. If new address information is not available after a diligent search (and in no event no later than one hundred twenty (120) days after the initial mailing of the original check) or if the distribution check is returned again, the check shall be voided and the Fund Administrator shall instruct the issuing financial institution to stop payment on such check. If the Fund Administrator is unable to find a Payee’s correct address, the Fund Administrator, in its discretion, may remove such Payee from the distribution and the allocated Distribution Payment will remain in the Fair Fund for distribution, if feasible, to the remaining Payees.

60. The Fund Administrator will reissue checks or electronic payments to Payees upon the receipt of a valid, written request from the Payee if prior to the initial stale date. In cases where a Payee is unable to endorse a Distribution Payment check as written (*e.g.*, name changes, IRA custodian changes, or recipient is deceased) and the Payee or a lawful representative requests the reissuance of a Distribution Payment check in a different name, the Fund Administrator will request, and must receive, documentation to support the requested change. The Fund Administrator will review the documentation to determine the authenticity and propriety of the change request. If, in the discretion of the Fund Administrator, such change request is properly documented, the Fund Administrator will issue an appropriately redrawn Distribution Payment to the requesting party. Reissued checks will be void at the later of one hundred twenty (120) days from issuance of the original check or thirty (30) days from the reissuance, and in no event will a check be reissued after one hundred twenty (120) days from the date of the original issuance without the approval of Commission staff.

61. The Fund Administrator will work with the Bank and maintain information about uncashed checks and any returned items due to non-delivery, insufficient addresses, and/or other deficiencies. The Fund Administrator is responsible for researching and reconciling errors and reissuing payments when possible. The Fund Administrator is also responsible for accounting for all payments. The amount of all uncashed and undelivered payments will continue to be held in the Fair Fund.

62. The Fund Administrator will make and document its best efforts to contact Payees to follow-up on the status of uncashed distribution checks over \$100 (other than those returned as “undeliverable”) and take appropriate action to follow-up on the status of uncashed checks at

the request of Commission staff. The Fund Administrator may reissue such checks, subject to the time limits detailed herein.

63. At the discretion of the Fund Administrator, certain costs that were not factored into the Reserve, such as bank fees for the return of a payment, may reduce the Payee's Distribution Payment. In such situations, the Fund Administrator will immediately notify the Tax Administrator of the reduction in the Distribution Payment.

Receipt of Additional Funds

64. Should any additional funds be received pursuant to Commission or Court order, agreement, or otherwise, prior to the Commission's termination of the Fair Fund, such funds will be added to the Fair Fund and distributed, if feasible, in accordance with the Plan, pursuant to the Commission's Rules.

Disposition of Undistributed Funds

65. If funds remain following the initial distribution and payment of all Administrative Costs, the Fund Administrator, in consultation with the Commission staff, may seek subsequent distribution(s) of any available remaining funds, pursuant to the Commission's Rules. All subsequent distributions shall be made in a manner that is consistent with this Plan.

66. A residual within the Fair Fund will be established for any amounts remaining after the final disbursement to Payees from the Fair Fund and the payment of all Administrative Costs (the "Residual"). The Residual may include funds from, among other things, amounts remaining in the Reserve, distribution checks that have not been cashed, checks or electronic payments that were not delivered or were returned to the Commission, and tax refunds for overpayment of taxes or for waiver of IRS penalties.

67. All funds remaining in the Residual that are infeasible to distribute to investors will be returned to the Commission and transferred to the U.S. Treasury, subject to Section 21F(g)(3) of the Securities Exchange Act of 1934 (the "Exchange Act"), after the final accounting is approved by the Commission.

Administrative Costs

68. All Administrative Costs will be paid from the Fair Fund in accordance with the Commission's Rules.

Accountings

69. In accordance with Rule 1105(f) of the Commission's Rules, during the first ten (10) days of each calendar quarter after funds have been transferred to the Bank, the Fund Administrator will file with the Commission, on a standardized accounting form provided by the Commission staff, an accounting of all monies earned or received and all monies spent in connection with the administration of the Plan.

70. Upon completion of all distributions to Payees pursuant to the procedures described above, the Fund Administrator shall arrange for the payment of all Administrative Costs, transfer all remaining funds to the Commission, and submit a final accounting for approval by the Commission on a standardized form provided by the Commission staff. The Fund Administrator will also submit a report to the Commission staff containing the final distribution statistics regarding distributions to individuals and entities, and such other information requested by the Commission staff.

Wind-down and Document Retention

71. The Fund Administrator will shut down the website, P.O. Box and customer service telephone line(s) established specifically for the administration of the Fair Fund six (6) months after the transfer of any remaining funds to the Commission, or at such earlier time as the Fund Administrator determines with the concurrence of the Commission staff.

72. The Fund Administrator will retain all materials submitted by Preliminary Claimants in either paper or electronic form for a period of six (6) years from the date of approval of a final fund accounting. Materials maintained in electronic form must be accessible and readable for the duration of retention. Pursuant to the Commission staff's direction, the Fund Administrator will either turn over to the Commission or destroy all materials, including documents in any media, upon expiration of this period.

Termination of the Fair Fund

73. The Fair Fund will be eligible for termination and the Fund Administrator will be eligible for discharge after all of the following have occurred: (a) a final accounting, in a standard accounting format provided by the Commission staff, has been submitted by the Fund Administrator and approved by the Commission; (b) all Administrative Costs have been paid; and (c) any amount remaining in the Fair Fund has been returned to the Commission for transfer to U.S. Treasury. Once the Commission has approved the final accounting, the Commission staff will seek an order from the Commission authorizing: (a) the transfer of the Residual that is infeasible to return to investors, and any amounts returned to the Fair Fund in the future that is infeasible to return to investors, to the general fund of the U.S. Treasury, subject to Section 21F(g)(3) of the Exchange Act; (b) discharge of the Fund Administrator; (c) cancellation of the Fund Administrator's bond; and (d) termination of the Fair Fund.

Exhibit A

PLAN OF ALLOCATION

This Plan of Allocation is designed to compensate investors based on their losses in Unikoin Gold (“UKG”), a digital token, purchased or acquired between June 11, 2017 and November 7, 2017 (the “Relevant Period”) from Unikrn Inc. in either the pre-sale or ICO phase of the Offering.⁵ Investors who did not purchase UKG from Unikrn are ineligible to recover under this Plan. Based upon records obtained by the Commission during and after its investigation, the Fund Administrator has identified those investors who may have suffered losses as a result of purchasing UKG during the Relevant Period (the “Preliminary Claimants”).

The Fund Administrator will calculate each Preliminary Claimant’s loss (“Recognized Loss”) as (a) the sum of the purchase amounts for all UKG tokens purchased and/or acquired by a Preliminary Claimant from Unikrn, Inc. in either the pre-sale or ICO phase of the Offering for value during the Relevant Period, *less* (b) any proceeds from sales of UKG by a Preliminary Claimant from June 11, 2017 through October 31, 2020.⁶ If the Recognized Loss calculates to a negative number, reflecting an overall gain, the Recognized Loss shall be zero.

Time of acquisitions or sales will be determined based on the transaction timestamp with the associated transaction hash on the blockchain. For purposes of the calculations in the Plan, prices and values will be based on the approximate timestamp of the transaction and exclude all fees and commissions. In addition, purchase amounts and sales proceeds will be converted to U.S. Dollars using the respective exchange rate as of 4:00 PM Eastern Standard Time on the purchase or sale date. For the avoidance of doubt, calculations of purchase and sale prices will include only the amount of value that was converted into UKG tokens (in the case of a purchase) or received by the seller (in the case of a sale), and investors will not be compensated for gas fees or transactions fees to transfer value.

Any Preliminary Claimant who suffered a Recognized Loss pursuant to this Plan of Allocation, and who is not an Excluded Party or an Unresponsive Preliminary Claimant, as defined in the Plan, will be deemed an Eligible Claimant.

Additional Provisions

FIFO Methodology: Transactions for an Eligible Claimant who made multiple purchases and sales of UKG will be matched according to the first-in, first-out (“FIFO”) method. The earliest sales will be matched first against purchases from June 11, 2017, until all the purchases have been matched. For example, if an Eligible Claimant purchased 100 UKG on June 11, 2017, the first 100 UKG sold through October 31, 2020 will be matched to the purchases and their sales proceeds will be included the Recognized Loss calculation.

⁵ All capitalized terms used herein but not defined shall have the same meanings ascribed to them in the Plan.

⁶ The “sale price of the token,” as used herein, will be ascertained through the public blockchain ledger. Any tokens held after October 31, 2020 are assumed to have a value of \$0.00 because the tokens were ordered to be permanently disabled and removed from trading platforms no later than September 25, 2020 (*see* Order, para. 23).

Allocation of Funds: If the Net Available Fair Fund is equal to or exceeds the sum of Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her or its Recognized Loss, plus any "Reasonable Interest" awarded.

If the Net Available Fair Fund is less than the sum of the Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her or its "*Pro Rata Percent*" of the Net Available Fair Fund. In either case, the distribution amount will be subject to the "Offset for Prior Recovery" and the "Minimum Distribution Amount."

Offset for Prior Recovery: To avoid payment of a windfall, an Eligible Claimant's distribution amount will be no larger than his, her or its Recognized Loss minus the amount of any compensation for the loss that resulted from the conduct described in the Order that was received from another source (e.g., class action settlement), to the extent known by the Fund Administrator ("Prior Recovery"), plus any "Reasonable Interest" awarded. That is, the distribution amount will be capped at the Recognized Loss *less* the Prior Recovery, plus any "Reasonable Interest" awarded.

Reasonable Interest: If the Net Available Fair Fund exceeds the amount necessary to pay all Eligible Claimants their Recognized Losses (*minus* any Prior Recovery) in full, the Fund Administrator, in consultation with the Commission staff, may include interest in the distribution amount to compensate Eligible Claimants for the time value of money. Reasonable Interest will be calculated using the Short-term Applicable Federal Rate plus three percent (3%), compounded quarterly from the end of the Relevant Period through the approximate date of the disbursement of the funds. If there are insufficient funds to pay Reasonable Interest in full to all Eligible Claimants, each Eligible Claimant's Reasonable Interest amount will be equal to his, her or its *Pro Rata Percent* of the excess funds.

Pro Rata Percent: A *Pro Rata Percent* computation is intended to measure Eligible Claimants' Recognized Losses against one another. The Fund Administrator shall determine each Eligible Claimant's *Pro Rata Percent* as the ratio of his, her, or its Recognized Loss to the sum of Recognized Losses of all Eligible Claimants.

Minimum Distribution Amount: The Minimum Distribution Amount will be \$10.00 (inclusive of Reasonable Interest, if any). If an Eligible Claimant's distribution amount is less than the Minimum Distribution Amount, that Eligible Claimant will be deemed ineligible to receive a Distribution Payment and his, her, or its distribution amount will be reallocated on a *pro-rata* basis to Eligible Claimants whose distribution amounts are greater than or equal to the Minimum Distribution Amount.

Payee: An Eligible Claimant whose distribution amount equals or exceeds the Minimum Distribution Amount will be deemed a Payee.

Distribution Payment: Each Payee will receive a Distribution Payment equal to his, her, or its distribution amount.
