**ORDER INSTITUTING ADMINISTRATIVE  
AND CEASE-AND-DESIST PROCEEDINGS,  
PURSUANT TO SECTIONS 15(b) AND 21C  
OF THE SECURITIES EXCHANGE ACT OF  
1934 AND SECTIONS 203(e) AND 203(k) OF  
THE INVESTMENT ADVISERS ACT OF  
1940, MAKING FINDINGS, AND IMPOSING  
REMEDIAL SANCTIONS AND A CEASE-  
AND-DESIST ORDER**

**I.**

The Securities and Exchange Commission (“Commission”) deems it appropriate and in the public interest that public administrative and cease-and-desist proceedings be, and hereby are, instituted pursuant to Sections 15(b) and 21C of the Securities Exchange Act of 1934 (“Exchange Act”) and Sections 203(e) and 203(k) of the Investment Advisers Act of 1940 (“Advisers Act”) against Ameriprise Financial Services, LLC (“Ameriprise Financial Services” or “Respondent”).

**II.**

In anticipation of the institution of these proceedings, Respondent has submitted an Offer of Settlement (“Offer”) that the Commission has determined to accept. Respondent admits the facts set forth in Section III below, acknowledges that its conduct violated the federal securities laws, admits the Commission’s jurisdiction over it and the subject matter of these proceedings, and consents to the entry of this Order Instituting Administrative and Cease-and-Desist Proceedings, Pursuant to Sections 15(b) and 21C of the Securities Exchange Act of 1934 and Sections 203(e) and 203(k) of the Investment Advisers Act of 1940, Making Findings, and Imposing Remedial Sanctions and a Cease-and-Desist Order (“Order”), as set forth below.

### III.

On the basis of this Order and Respondent's Offer, the Commission finds<sup>1</sup> that

#### Summary

1. The federal securities laws impose recordkeeping requirements on broker-dealers and registered investment advisers to ensure that they responsibly discharge their crucial role in our markets. The Commission has long said that compliance with these requirements is essential to investor protection and the Commission's efforts to further its mandate of protecting investors, maintaining fair, orderly, and efficient markets, and facilitating capital formation.

2. These proceedings arise out of the widespread and longstanding failure of Ameriprise Financial Services personnel throughout the firm, including at senior levels, to adhere to certain of these essential requirements and the firm's own policies. Using their personal devices, these personnel communicated both internally and externally by text messages and/or other unapproved written communications platforms ("off-channel communications").

3. From at least June 2019 (the "Relevant Period"), Ameriprise Financial Services personnel sent and received off-channel communications that were records required to be maintained under Exchange Act Rule 17a-4(b)(4) and/or Advisers Act Rule 204-2(a)(7). Respondent did not maintain or preserve the substantial majority of these written communications. Respondent's failures were firm-wide and involved personnel at various levels of authority throughout the organization. As a result, Ameriprise Financial Services violated Section 17(a) of the Exchange Act and Rule 17a-4(b)(4) thereunder and Section 204 of the Advisers Act and Rule 204-2(a)(7) thereunder.

4. Ameriprise Financial Services' widespread failure to implement a system reasonably expected to determine whether personnel were following its policies and procedures that prohibit off-channel communications led to its failure to reasonably supervise its personnel within the meaning of Section 15(b)(4)(E) of the Exchange Act and Section 203(e)(6) of the Advisers Act.

5. During the Relevant Period, Ameriprise Financial Services received and responded to Commission subpoenas for documents and/or records requests in a number of Commission investigations. As a result, Ameriprise Financial Service's recordkeeping failures likely impacted the Commission's ability to carry out its regulatory functions and investigate violations of the federal securities laws across these investigations.

6. Commission staff found Ameriprise Financial Services' misconduct after commencing a risk-based initiative to investigate the use of off-channel and unpreserved communications at investment advisers. Ameriprise Financial Services has initiated a review of its recordkeeping failures and begun a program of remediation. As set forth in the Undertakings below, Ameriprise Financial Services will retain a compliance consultant to review and assess

<sup>1</sup> The findings herein are made pursuant to Respondent's Offer of Settlement and are not binding on any other person or entity in this or any other proceeding.

Ameriprise Financial Services' remedial steps relating to its recordkeeping practices, policies and procedures, related supervisory practices, and employment actions.

### **Respondent**

7. **Ameriprise Financial Services** is a Delaware limited liability company with its principal office in Minneapolis, Minnesota, and has been registered with the Commission as a broker-dealer since 1971 and as an investment adviser since 1986. It is a wholly owned indirect subsidiary of Ameriprise Financial, Inc. a company headquartered in Minneapolis and incorporated in Delaware.

### **Recordkeeping Requirements under the Exchange and Advisers Acts**

8. Section 17(a)(1) of the Exchange Act and Section 204 of the Advisers Act authorize the Commission to issue rules requiring, respectively, broker-dealers and investment advisers to make and keep for prescribed periods, and furnish copies of, such records as necessary or appropriate in the public interest, for the protection of investors or, with respect to the Exchange Act, otherwise in furtherance of the purposes of the Exchange Act.

9. The Commission adopted Rule 17a-4 under the Exchange Act and Rule 204-2 under the Advisers Act pursuant to this authority. These rules specify the manner and length of time that the records created in accordance with Commission rules, and certain other records produced by broker-dealers or investment advisers, must be maintained and produced promptly to Commission representatives.

10. The rules adopted under Section 17(a)(1) of the Exchange Act, including Rule 17a-4(b)(4), require that broker-dealers preserve in an easily accessible place originals of all communications received and copies of all communications sent relating to the broker-dealer's business as such. These rules impose minimum recordkeeping requirements that are based on standards a prudent broker-dealer should follow in the normal course of business.

11. The Commission previously has stated that these and other recordkeeping requirements "are an integral part of the investor protection function of the Commission, and other securities regulators, in that the preserved records are the primary means of monitoring compliance with applicable securities laws, including antifraud provisions and financial responsibility standards." Commission Guidance to Broker-Dealers on the Use of Electronic Storage Media under the Electronic Signatures in Global and National Commerce Act of 2000 with Respect to Rule 17a-4(f), 17 C.F.R. Part 241, Exchange Act Rel. No. 44238 (May 1, 2001).

12. The rules adopted under Advisers Act Section 204, including Advisers Act Rule 204-2(a)(7), require that investment advisers preserve in an easily accessible place originals of all communications received and copies of all written communications sent relating to, among other things: (a) any recommendation made or proposed to be made and any advice given or proposed to be given; (b) any receipt, disbursement or delivery of funds or securities; (c) the placing or execution of any order to purchase or sell any security; or (d) predecessor performance and the performance or rate of return of any or all managed accounts, portfolios, or securities recommendations.

## **Ameriprise Financial Services' Policies and Procedures**

13. Ameriprise Financial Services maintained certain policies and procedures designed to ensure the retention of business-related records, including electronic communications, in compliance with the relevant recordkeeping provisions.

14. Ameriprise Financial Services personnel were advised that the use of unapproved electronic communications methods, including on their personal devices, was not permitted, and that they should not use personal email or unapproved chat or text messaging applications for business purposes.

15. Messages sent through Ameriprise Financial Services' approved communications methods were monitored, subject to review, and, when appropriate, archived. Messages sent through unapproved communications methods, such as unapproved applications on personal devices, were not monitored, subject to review or archived.

16. Ameriprise Financial Services conducted trainings for its personnel, which were designed to address the firm's supervision of its personnel and adherence to Ameriprise Financial Services' books and recordkeeping requirements. The policies and related trainings notified personnel that electronic communications on approved platforms were subject to surveillance by Ameriprise Financial Services. Ameriprise Financial Services also required from its personnel annual attestations of compliance with its policies and procedures regarding electronic communications.

17. Ameriprise Financial Services, however, failed to implement a system of follow-up and review reasonably expected to determine whether personnel were following its policies. While permitting its personnel to use approved communications methods, including on personal phones, for business communications, Ameriprise Financial Services failed to implement sufficient monitoring to ensure that its recordkeeping and communications policies were being followed.

## **Ameriprise Financial Services' Recordkeeping Failures Across Its Brokerage and Investment Advisory Businesses**

18. In October 2022, the Commission staff commenced a risk-based initiative to investigate whether investment advisers were properly maintaining communications that they were required to preserve as records under the Advisers Act. Ameriprise Financial Services cooperated with the investigation by proactively gathering and reviewing communications from the personal devices of certain of its personnel and responding to the staff's requests for additional information. Ameriprise Financial Services also produced, at the request of the Commission staff, off-channel communications of a subset of these personnel relating to Ameriprise Financial Services' investment advisory and brokerage businesses. These personnel included private wealth advisors who are managers, each of whom is a supervised person of Ameriprise Financial Services in its capacity both as an investment adviser and as a broker-dealer.

19. The Commission staff's investigation found pervasive off-channel communications by Ameriprise Financial Services personnel. The majority of Ameriprise Financial Services personnel whose communications were reviewed in the course of the investigation had sent or received multiple off-channel communications that were records required to be preserved by Ameriprise Financial Services under the Advisers Act and/or Exchange Act. These off-channel communications were sent among Ameriprise Financial Services colleagues as well as to and from Ameriprise Financial Services clients and customers.

20. The investigation found numerous off-channel communications that were records required to be preserved under the Exchange Act. For example, an Ameriprise Financial Services private wealth advisor and a colleague exchanged multiple text messages on an unapproved platform concerning a trade correction in a customer's account. As another example, an Ameriprise Financial Services private wealth advisor and colleague exchanged text messages on an unapproved platform concerning customer brokerage account documents.

21. Off-channel communications included records required to be preserved under the Advisers Act because they related to an advisory recommendation made or proposed to be made or advice given or proposed to be given. For example, an Ameriprise Financial Services private wealth advisor sent a text message on an unapproved platform to a client with recommendations to sell and/or buy securities of several specific companies.

22. Other off-channel communications were records required to be preserved under the Advisers Act because they related to the investment adviser's receipt, disbursement or delivery of funds or securities. For example, an Ameriprise Financial Services private wealth advisor and colleague exchanged multiple text messages on an unapproved platform regarding the receipt and deposit of funds from a client.

23. The investigation also found off-channel communications that were records required to be preserved under the Advisers Act because they related to the performance or rate of return of Ameriprise Financial Services client managed accounts, portfolios, or securities recommendations. For example, an Ameriprise Financial Services private wealth advisor and colleague exchanged text messages on an unapproved platform regarding the performance of three securities recommendations.

#### **Ameriprise Financial Services' Failure to Preserve Required Records Potentially Compromised and Delayed Commission Matters**

24. During the Relevant Period, Ameriprise Financial Services received and responded to Commission subpoenas for documents and/or records requests in Commission investigations. By failing to maintain and preserve required records relating to its businesses, Ameriprise Financial Services likely deprived the Commission of these off-channel communications in various investigations.

### **Ameriprise Financial Services' Violations and Failure to Supervise**

25. As a result of the conduct described above, from at least June 2019 through the date of this Order, Ameriprise Financial Services willfully<sup>2</sup> violated Section 17(a) of the Exchange Act and Rule 17a-4(b)(4) thereunder.

26. As a result of the conduct described above, from at least June 2019 through the date of this Order, Ameriprise Financial Services willfully violated Section 204 of the Advisers Act and Rule 204-2(a)(7) thereunder.

27. As a result of the conduct described above, Ameriprise Financial Services failed reasonably to supervise its personnel, with a view to preventing or detecting certain of its supervised persons' aiding and abetting violations of Section 17(a) of the Exchange Act and Rule 17a-4(b)(4) thereunder, within the meaning of Section 15(b)(4)(E) of the Exchange Act.

28. As a result of the conduct described above, Ameriprise Financial Services failed reasonably to supervise its personnel, with a view to preventing or detecting certain of its supervised persons' aiding and abetting violations of Section 204 of the Advisers Act and Rule 204-2(a)(7) thereunder, within the meaning of Section 203(e)(6) of the Advisers Act.

### **Ameriprise Financial Services' Remedial Efforts**

29. In determining to accept the Offer, the Commission considered steps undertaken by Ameriprise Financial Services prior to and after being approached by Commission staff, including taking initial steps in May 2019 to implement an on-channel texting application tool for Ameriprise Financial Services personnel, as well as cooperation afforded the Commission staff.

### **Undertakings**

30. Prior to this action, Ameriprise Financial Services enhanced its policies and procedures, and increased training concerning the use of approved communications methods, including on personal devices. In addition, Ameriprise Financial Services has undertaken to:

31. **Compliance Consultant.**

a. Ameriprise Financial Services shall retain, within thirty (30) days of the entry of this Order, the services of a compliance consultant ("Compliance Consultant") that is not unacceptable to the Commission staff. Prior to the entry of this Order, Ameriprise Financial Services retained the services of a consultant to address the issues in this Order. The Compliance Consultant may be the same consultant previously engaged by Ameriprise Financial Services. The Compliance Consultant's compensation and expenses shall be borne exclusively by Ameriprise Financial Services.

<sup>2</sup> "Willfully," for purposes of imposing relief under Section 15(b) of the Exchange Act and Section 203(e) of the Advisers Act "means no more than that the person charged with the duty knows what he is doing." See *Wonsover v. SEC*, 205 F.3d 408, 414 (D.C. Cir 2000) (quoting *Hughes v. SEC*, 174 F.2d 969, 977 (D.C. Cir. 1949)). There is no requirement that the actor "also be aware that he is violating one of the Rules or Acts." *Tager v. SEC*, 344 F.2d 5, 8 (2d Cir. 1965).

b. Ameriprise Financial Services will oversee the work of the Compliance Consultant.

c. Ameriprise Financial Services shall provide to the Commission staff, within sixty (60) days of the entry of this Order, a copy of the engagement letter detailing the Compliance Consultant's responsibilities, which shall include a comprehensive compliance review as described below. Ameriprise Financial Services shall require that, within ninety (90) days of the date of the engagement letter, the Compliance Consultant conduct:

i. A comprehensive review of Ameriprise Financial Services' supervisory, compliance, and other policies and procedures designed to ensure that Ameriprise Financial Services' electronic communications, including those found on personal electronic devices, including without limitation, cellular phones ("Personal Devices"), are preserved in accordance with the requirements of the federal securities laws.

ii. A comprehensive review of training conducted by Ameriprise Financial Services to ensure personnel are complying with the requirements regarding the preservation of electronic communications, including those found on Personal Devices, in accordance with the requirements of the federal securities laws, including by ensuring that Ameriprise Financial Services personnel certify in writing on a quarterly basis that they are complying with preservation requirements.

iii. An assessment of the surveillance program measures implemented by Ameriprise Financial Services to ensure compliance, on an ongoing basis, with the requirements found in the federal securities laws to preserve electronic communications, including those found on Personal Devices.

iv. An assessment of the technological solutions that Ameriprise Financial Services has begun implementing to meet the record retention requirements of the federal securities laws, including an assessment of the likelihood that Ameriprise Financial Services personnel will use the technological solutions going forward and a review of the measures employed by Ameriprise Financial Services to track personnel usage of new technological solutions.

v. An assessment of the measures used by Ameriprise Financial Services to prevent the use of unauthorized communications methods for business communications by its personnel. This assessment should include, but not be limited to, a review of Ameriprise Financial Services' policies and procedures to ascertain if they provide for any significant technology and/or behavioral restrictions that help prevent the risk of the use of unapproved communications methods on Personal Devices (*e.g.*, trading floor restrictions).

vi. A review of Ameriprise Financial Services' electronic communications surveillance routines to ensure that electronic communications through approved communications methods found on Personal Devices are incorporated into Ameriprise Financial Services' overall communications surveillance program.

vii. A comprehensive review of the framework adopted by Ameriprise Financial Services to address instances of non-compliance by Ameriprise Financial Services personnel with Ameriprise Financial Services' policies and procedures concerning the use of Personal Devices to communicate about Ameriprise Financial Services business in the past. This review shall include a survey of how Ameriprise Financial Services determined which personnel failed to comply with Ameriprise Financial Services policies and procedures, the corrective action carried out, an evaluation of who violated policies and why, what penalties were imposed, and whether penalties were handed out consistently across business lines and seniority levels.

d. Ameriprise Financial Services shall require that, within forty-five (45) days after completion of the review set forth in sub-paragraphs c.i. through c.vii. above, the Compliance Consultant shall submit a detailed written report of its findings to Ameriprise Financial Services and to the Commission staff (the "Report"). Ameriprise Financial Services shall require that the Report include a description of the review performed, the names of the individuals who performed the review, the conclusions reached, the Compliance Consultant's recommendations for changes in or improvements to Ameriprise Financial Services' policies and procedures, and a summary of the plan for implementing the recommended changes in or improvements to Ameriprise Financial Services' policies and procedures.

e. Ameriprise Financial Services shall adopt all recommendations contained in the Report within ninety (90) days of the date of the Report; provided, however, that within forty-five (45) days after the date of the Report, Ameriprise Financial Services shall advise the Compliance Consultant and the Commission staff in writing of any recommendations that Ameriprise Financial Services considers to be unduly burdensome, impractical, or inappropriate. With respect to any recommendation that Ameriprise Financial Services considers unduly burdensome, impractical, or inappropriate, Ameriprise Financial Services need not adopt such recommendation at that time, but shall propose in writing an alternative policy, procedure, or disclosure designed to achieve the same objective or purpose.

f. As to any recommendation concerning Ameriprise Financial Services' policies or procedures on which Ameriprise Financial Services and the Compliance Consultant do not agree, Ameriprise Financial Services and the Compliance Consultant shall attempt in good faith to reach an agreement within sixty (60) days after the date of the Report. Within fifteen (15) days after the conclusion of the discussion and evaluation by Ameriprise Financial Services and the Compliance Consultant, Ameriprise Financial Services shall require that the Compliance Consultant inform Ameriprise Financial

Services and the Commission staff in writing of the Compliance Consultant's final determination concerning any recommendation that Ameriprise Financial Services considers to be unduly burdensome, impractical, or inappropriate. Ameriprise Financial Services shall abide by the determinations of the Compliance Consultant and, within sixty (60) days after final agreement between Ameriprise Financial Services and the Compliance Consultant or final determination by the Compliance Consultant, whichever occurs first, Ameriprise Financial Services shall adopt and implement all of the recommendations that the Compliance Consultant deems appropriate.

g. Ameriprise Financial Services shall cooperate fully with the Compliance Consultant and shall provide the Compliance Consultant with access to such of Ameriprise Financial Services' files, books, records, and personnel as are reasonably requested by the Compliance Consultant for review.

h. Ameriprise Financial Services shall not have the authority to terminate the Compliance Consultant or substitute another compliance consultant for the initial Compliance Consultant, without the prior written approval of the Commission staff. Ameriprise Financial Services shall compensate the Compliance Consultant and persons engaged to assist the Compliance Consultant for services rendered under this Order at their reasonable and customary rates.

i. For the period of engagement and for a period of two (2) years from completion of the engagement, Ameriprise Financial Services shall not (i) retain the Compliance Consultant for any other professional services outside of the services described in this Order; (ii) enter into any other professional relationship with the Compliance Consultant, including any employment, consultant, attorney-client, auditing or other professional relationship; or (iii) enter, without prior written consent of the Commission staff, into any such professional relationship with any of the Compliance Consultant's present or former affiliates, employers, directors, officers, employees, or agents acting in their capacity as such.

j. The Report by the Compliance Consultant will likely include confidential financial, proprietary, competitive business or commercial information. Public disclosure of the Report could discourage cooperation, impede pending or potential government investigations or undermine the objectives of the reporting requirement. For these reasons, among others, the Report and the contents thereof are intended to remain and shall remain non-public, except (1) pursuant to court order, (2) as agreed to by the parties in writing, (3) to the extent that the Commission determines in its sole discretion that disclosure would be in furtherance of the Commission's discharge of its duties and responsibilities, or (4) as otherwise required by law.

32. One-Year Evaluation. Ameriprise Financial Services shall require the Compliance Consultant to assess Ameriprise Financial Services' program for the preservation, as required under the federal securities laws, of electronic communications, including those found on Personal Devices, commencing one year after submitting the Report required by Paragraph 31.d above. Ameriprise Financial Services shall require this review to evaluate Ameriprise

Financial Services' progress in the areas described in Paragraph 31.c.i-vii above. After this review, Ameriprise Financial Services shall require the Compliance Consultant to submit a report (the "One Year Report") to Ameriprise Financial Services and the Commission staff and shall ensure that the One Year Report includes an updated assessment of Ameriprise Financial Services' policies and procedures with regard to the preservation of electronic communications (including those found on Personal Devices), training, surveillance programs, and technological solutions implemented in the prior year period.

33. Reporting Discipline Imposed. For two (2) years following the entry of this Order, Ameriprise Financial Services shall notify the Commission staff as follows upon the imposition of any discipline imposed by Ameriprise Financial Services, including, but not limited to: written warnings; loss of any pay, bonus, or incentive compensation; or the termination of employment or contract; with respect to any personnel found to have violated Ameriprise Financial Services' policies and procedures concerning the preservation of electronic communications, including those found on Personal Devices: at least forty-eight (48) hours before the filing of a Form U-5, or within ten (10) days of the imposition of other discipline.

34. Internal Audit. In addition to the Compliance Consultant's review and issuance of the One Year Report, Ameriprise Financial Services will have its Internal Audit function conduct a separate audit(s) to assess Ameriprise Financial Services' progress in the areas described in Paragraph 31.c.i-vii above. After completion of this audit(s), Ameriprise Financial Services shall ensure that Internal Audit submits a report to Ameriprise Financial Services and to the Commission staff.

35. Recordkeeping. Ameriprise Financial Services shall preserve, for a period of not less than six (6) years from the end of the fiscal year last used, the first two (2) years in an easily accessible place, any record of compliance with these undertakings.

36. Deadlines. For good cause shown, the Commission staff may extend any of the procedural dates relating to the undertakings. Deadlines for procedural dates shall be counted in calendar days, except that if the last day falls on a weekend or federal holiday, the next business day shall be considered to be the last day.

37. Certification. Ameriprise Financial Services shall certify, in writing, compliance with the undertakings set forth above. The certification shall identify the undertakings, provide written evidence of compliance in the form of a narrative, and be supported by exhibits sufficient to demonstrate compliance. The Commission staff may make reasonable requests for further evidence of compliance, and Respondent agrees to provide such evidence. The certification and supporting material shall be submitted to Thomas P. Smith, Jr., Associate Regional Director, Division of Enforcement, Securities and Exchange Commission, New York Regional Office, 100 Pearl Street, Suite 20-100, New York, NY 10004, or such other person as the Commission staff may request, with a copy to the Office of Chief Counsel of the Enforcement Division, no later than sixty (60) days from the date of the completion of the undertakings.

#### IV.

In view of the foregoing, the Commission deems it appropriate and in the public interest to impose the sanctions agreed to in Respondent's Offer.

Accordingly, pursuant to Sections 15(b) and 21C of the Exchange Act and Sections 203(e) and 203(k) of the Advisers Act, it is hereby ORDERED that:

- A. Respondent cease and desist from committing or causing any violations and any future violations of Section 17(a) of the Exchange Act and Rule 17a-4 thereunder.
- B. Respondent cease and desist from committing or causing any violations and any future violations of Section 204 of the Advisers Act and Rule 204-2 thereunder.
- C. Respondent is censured.
- D. Respondent shall comply with the undertakings enumerated in paragraphs 30 to 37 above.
- E. Respondent shall, within 14 days of the entry of this Order, pay a civil money penalty in the amount of \$50,000,000 to the Securities and Exchange Commission for transfer to the general fund of the United States Treasury, subject to Exchange Act Section 21F(g)(3). If timely payment is not made, additional interest shall accrue pursuant to 31 U.S.C. § 3717.

Payment must be made in one of the following ways:

- (1) Respondent may transmit payment electronically to the Commission, which will provide detailed ACH transfer/Fedwire instructions upon request;
- (2) Respondent may make direct payment from a bank account via Pay.gov through the SEC website at <http://www.sec.gov/about/offices/ofm.htm>; or
- (3) Respondent may pay by certified check, bank cashier's check, or United States postal money order, made payable to the Securities and Exchange Commission and hand-delivered or mailed to:

Enterprise Services Center  
Accounts Receivable Branch  
HQ Bldg., Room 181, AMZ-341  
6500 South MacArthur Boulevard  
Oklahoma City, OK 73169

Payments by check or money order must be accompanied by a cover letter identifying Ameriprise Financial Services as the Respondent in these proceedings, and the file number of these proceedings; a copy of the cover letter and check or money order must be sent to Thomas

P. Smith, Jr., Associate Regional Director, Division of Enforcement, Securities and Exchange Commission, New York Regional Office, 100 Pearl Street, Suite 20-100, New York, NY 10004.

F. Amounts ordered to be paid as civil money penalties pursuant to this Order shall be treated as penalties paid to the government for all purposes, including all tax purposes. To preserve the deterrent effect of the civil penalty, Respondent agrees that in any Related Investor Action, it shall not argue that it is entitled to, nor shall it benefit by, offset or reduction of any award of compensatory damages by the amount of any part of Respondent's payment of a civil penalty in this action ("Penalty Offset"). If the court in any Related Investor Action grants such a Penalty Offset, Respondent agrees that it shall, within 30 days after entry of a final order granting the Penalty Offset, notify the Commission's counsel in this action and pay the amount of the Penalty Offset to the Securities and Exchange Commission. Such a payment shall not be deemed an additional civil penalty and shall not be deemed to change the amount of the civil penalty imposed in this proceeding. For purposes of this paragraph, a "Related Investor Action" means a private damages action brought against Respondent by or on behalf of one or more investors based on substantially the same facts as alleged in the Order instituted by the Commission in this proceeding.

By the Commission.
