**Re: *In the Matter of Eric David Wanger
Application for Consent to Associate
File No. 3-14676***

Dear Ms. Powalski:

I am writing to request a correction of the file number assigned to the most recent filing made with your office.

On May 25, 2016, I sent to the Commission for filing a supplemental affidavit on behalf of Eric David Wanger. (Copy of cover letter enclosed.) However, that filing was made under an improper file number: File No. 3-17226, which is the number you assigned to a companion filing under Section 19(e) of the Securities Exchange Act of 1934 for Commission review of FINRA's enlargement of SEC sanction.

The correct file number for Mr. Wanger's application for consent to associate under section 203(f) of the Investment Advisers Act and Rule 193 of the Rules of Practice is: **File No. 3-14676**.

It was just brought to my attention that your office bifurcated the two filings and assigned separate numbers to them. You had apparently applied an orange post-it to your letter of April 25, 2016 on which you wrote that the application for consent to associate under Section 203(f) and under Ruler 193 would remain under **File Number 3-14676**.

Please cross out the incorrect file number on the most recent supplemental affidavit under cover letter dated May 25, 2016 and write in the correct number so that it will be part of the application for consent to associate under Section 203(f) of the Investment Advisers Act and Rule 193 of the Rules of Practice in **File Number 3-14676**.

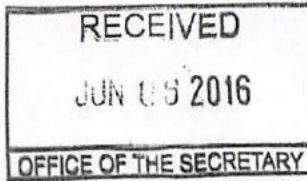

Thank you in advance for your timely attention to this matter. If you have any question, please do not hesitate to contact me either at 202-320-3083 (mobile) or 703-777-5971 (home office).

Sincerely,
