INVESTMENT ADVISERS ACT OF 1940  
Release No. 4635 / February 1, 2017

ADMINISTRATIVE PROCEEDING  
File No. 3-15314

In the Matter of  
  
RUSSELL K. CANNON

ORDER REQUESTING  
ADDITIONAL  
BRIEFING

On May 3, 2013, the Commission issued an order making findings and imposing remedial sanctions (the "Order") against Russell K. Cannon. The Order, among other things, barred Cannon from association with any nationally recognized statistical rating organization ("NRSRO") or municipal advisor.<sup>1</sup> Subsequent to the Order, the Commission issued a statement regarding *Koch v. SEC*<sup>2</sup>—where the court vacated NRSRO and municipal advisor bars because the conduct that served as the basis for the bars predated the enactment of the Dodd Frank Wall Street Reform and Consumer Protection Act on July 21, 2010—and invited persons who had been barred from such associations to request that the bars be vacated if "all of the conduct relevant to such bar(s) occurred before July 22, 2010."<sup>3</sup>

On March 7, 2016, Cannon filed a request to vacate the NRSRO and municipal advisor bars entered against him. The Order appears, however, to contain allegations of misconduct supporting the bars that extends beyond July 21, 2010. As a result, the Commission's consideration of Cannon's request to vacate would be assisted by briefing on the question of whether relevant misconduct continued past July 21, 2010 and, if it did, whether the bars should be vacated notwithstanding such post Dodd-Frank misconduct.

Accordingly, it is ORDERED that Russell K. Cannon and the Division of Enforcement are requested, by March 1, 2017 each to file a brief, not to exceed 5000 words, addressing the question of whether conduct supporting imposition of NRSRO and municipal advisor bars occurred on or after July 22, 2010 and, if so, whether Russell K. Cannon's request to vacate such
