Dear Mr. Oztan:

On June 7, 2013, the Division of Trading and Markets (the "Division") of the Securities and Exchange Commission issued a letter to Citigroup Global Markets Inc. ("Citigroup") permitting the firm to calculate portfolio margin amounts for positions in portfolios holding cleared credit default swaps, provided Citigroup implemented, on or before December 7, 2013, a margin methodology with respect to transactions in its portfolio margin program that imposes certain minimum standards. The Division is extending the December 7, 2013 compliance date until January 31, 2014.

Sincerely,

Michael A. Macchiaroli
Associate Director
