Rule 11.22. Data Products

The Exchange offers the following data products free of charge, except as otherwise noted in the Exchange's fee schedule:

(a) – (i) (No change.)

(j) BATS Aggregated Market (“BATS One”) Feed. The BATS One Feed is a data feed that contains the aggregate best bid and offer of all displayed orders for securities traded on the Exchange and its affiliated exchanges. The BATS One Feed also contains the individual last sale information for the Exchange and each of its affiliated exchanges and consolidated volume for all listed equity securities. The BATS One Feed also consists of Symbol Summary, Market Status, Retail Liquidity Identifier (on behalf of BATS-Y Exchange, Inc., an affiliated exchange of the Exchange), Trading Status, and Trade Break messages. BATS One Feed recipients may also elect to receive aggregated two-sided quotations from the Exchange and each of its affiliated exchanges for five (5) price levels.
