# II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

## A. <u>Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change</u>

### 1. <u>Purpose</u>

On September 2, 2011, the Commission approved C2's proposal for a 14-month pilot program that permits the trading on C2 of P.M.-settled S&P 500 Index options with third-Friday-of-the-month expiration dates (the "Pilot Program").<sup>5</sup> The purpose of this rule change is solely to amend the rule text to insert the specific conclusion date of the Pilot Program, which is November 2, 2012.<sup>6</sup>

### 2. Statutory Basis

See Securities Exchange Act Release No. 65256 (September 2, 2011), 76 FR
 55969 (September 9, 2011) (approving SR-C2-2011-008).

Previously the rule text indicated that the Exchange would insert the date 14 months from approval, which approval occurred on September 2, 2011. <u>Id.</u>

The basis under the Act for this proposed rule change is the requirement under Section 6(b)(5)<sup>7</sup> that an exchange have rules that are designed to promote just and equitable principles of trade, and to remove impediments to and perfect the mechanism for a free and open market and a national market system, and, in general, to protect investors and the public interest. In particular, the proposed rule change seeks to update the text to reflect the actual expiration date of the Pilot Program in a matter that is consistent with the original approval of the Pilot Program. This action will remove any confusion in the C2 Rules regarding the expiration date of the Pilot Program, thereby removing impediments to and perfecting the mechanism for a free and open market and a national market system, and, in general, protecting investors and the public interest.

- B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>
  C2 does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.
  - C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed</u> <u>Rule Change Received from Members, Participants, or Others</u>

No written comments were solicited or received with respect to the proposed rule change.

III. <u>Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action</u>

Because the foregoing rule does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the

Commission may designate if consistent with the protection of investors and the public interest, provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change or such shorter time as designated by the Commission, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>8</sup> and Rule 19b-4(f)(6) thereunder.<sup>9</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
