Cboe C2 Options Exchange Fees Schedule

Effective [June 4] August 1, 2018

* * * * *

Options Regulatory Fee:

[\$.0015 per contract through January 31, 2018]
[\$.0014 per contract effective February 1, 2018] <u>\$.0011 per contract*</u>

*The Options Regulatory Fee is assessed to each Trading Permit Holder for options transactions cleared by the Trading Permit Holder that are cleared by The Options Clearing Corporation (OCC) in the customer range, regardless of the exchange on which the transaction occurs. C2 uses reports from OCC when assessing and collecting the ORF. The fee is collected by OCC on behalf of C2 from the Clearing Participant or non-Clearing Participant that ultimately clears the transaction. With respect to linkage transactions, C2 reimburses its routing broker providing Routing Services pursuant to C2 Options Rule 6.15 for options regulatory fees it incurs in connection with the Routing Services it provides. Pursuant to Cboe Options Rule 15.1 (which applies to C2 Trading Permit Holders), solely for purposes of ORF billing, Trading Permit Holders must provide C2 with a complete list of its OCC clearing numbers and keep such information up to date with C2.
