**Cboe U.S. Equities Fees Schedules****BZX Equities****Effective March 1[0]4, 2022**

\* \* \* \* \*

**Purge and Market Data Logical Port Fees:**

| Service                            | Fee                                |
|------------------------------------|------------------------------------|
| Purge Ports                        | \$650/port/month                   |
| Multicast PITCH Spin Server        | \$550/set of primary (A or C feed) |
| Multicast PITCH GRP Ports          | \$550/primary (A or C feed)        |
| Other Logical Ports*               | \$550/port/month                   |
| <u>Certification Logical Ports</u> | <u>\$250/port/month</u>            |

\*Other Logical Ports includes: Cboe Auction Feed Ports, FIXDROP Ports, Order Drop Ports, Last Sale Ports, PITCH Ports, and TOP Ports.

- Purge and market data logical port fees are limited to logical ports within the primary data center. No fee will be assessed for redundant secondary data center ports.
- Multicast PITCH is available through one of two primary feeds, either the A or C feed. All secondary feed Multicast PITCH Spin Server and GRP Ports are provided for redundancy at no additional cost.
- New requests will be prorated for the first month of service, except for Certification Logical Ports. Cancellation requests are billed in full month increments as firms are required to pay for the service for the remainder of the month, unless the session is terminated within the first month of service.
- Users will be entitled to receive one Certification Logical Port free of charge per each logical port type.
