In its filing with the Commission, CME included statements concerning the purpose and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CME has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of Purpose of, and Statutory Basis for, the Proposed Rule Change

CME currently offers clearing for certain cleared-only OTC FX swap products. The filing proposes to implement a fee waiver program that will apply to the following cleared-only OTC FX products ("Products"):

1. CME Cleared OTC FX – Emerging Markets
 - a. USDBRL, USDCLP, USDCNY, USDCOP, USDIDR, USDINR, USDKRW, USDMYR, USDPEN, USDPHP, USDRUB, USDTWD Non-Deliverable Forwards

The fee waiver will be open to all market participants and will automatically be applied to any transaction in the Products submitted to CME's clearinghouse for clearing. The proposed

changes that are the subject of this filing are related to the fees CME charges for clearing and therefore will become effective upon filing. However, the changes will become operative on February 1, 2012.

Pursuant to Commodity Futures Trading Commission (“CFTC”) regulations, the proposed changes are subject to CFTC Regulation 40.6(d), requiring a self-certification filing to the CFTC, although no change to text of the CME rulebook is required. CME notes that it has already certified the proposed changes that are the subject of this filing to its primary regulator, the CFTC. The text of the CME proposed changes is set out in Section I above.

The proposed changes establish or change a member due, fee or other charge imposed by CME under Section 19(b)(3)(A)(ii) of the Securities Exchange Act of 1934 and Rule 19b-4(f)(2) thereunder. CME believes that the proposed changes are consistent with the requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder and, in particular, to 17A(b)(3)(iv), in that it provides for the equitable allocation of reasonable dues, fees and other charges among participants. CME notes that it operates in a highly competitive market in which market participants can readily direct business to competing venues.

B. Self-Regulatory Organization’s Statement on Burden on Competition

CME does not believe that the proposed rule change will have any impact, or impose any burden, on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

CME has not solicited, and does not intend to solicit, comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change was filed pursuant to Section 19(b)(3)(A) of the Act and

paragraph (f)(2) of Rule 19b-4 and became effective on filing. At any time within sixty days of the filing of such rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
