

SECURITIES AND EXCHANGE COMMISSION
(Release No. 34-55391; File No. SR-NSCC-2007-04)

March 2, 2007

Self-Regulatory Organizations; National Securities Clearing Corporation; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Collateral Management Service

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934,¹ notice is hereby given that on February 22, 2007, the National Securities Clearing Corporation (“NSCC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared substantially by NSCC. NSCC filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act² and Rule 19b-4(f)(4)³ thereunder so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Under the proposed rule change, NSCC will eliminate references to the Collateral Management Service (“CMS”) in its rules and procedures.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NSCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below.

² 15 U.S.C. 78s(b)(3)(A)(iii).

³ 17 CFR 240.19b-4(f)(4).

NSCC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

NSCC has offered CMS to its members since 1995.⁴ CMS was created to provide NSCC members with access on a daily basis to information regarding their clearing fund, margin, and other similar requirements and deposits (“CMS data”) at NSCC, other participating clearing agencies registered with the Commission, and clearing organizations recognized by the Commodity Futures Trading Commission (collectively, “Participating Clearing Entities”⁵). The information included such things as excess or deficit amounts and data on underlying collateral. The CMS service also permitted Participating Clearing Entities to receive CMS data with respect to their participants.

However, few NSCC members elected to use CMS because they can obtain access to CMS data by other means provided by NSCC. In addition, by the end of 2004, the Participating Clearing Entities had long ceased transmitting CMS data to NSCC, and the service had become dormant. Accordingly, NSCC will delete Rule 53 and Procedure XVI (Collateral Management Service), will delete all references to CMS from Rule 4, Section 9 (Clearing Fund), and will amend Rule 49 (Release of Clearing Data) to preserve NSCC’s right to share clearing fund data

See also Securities Exchange Act Release Nos. 38283 (Feb. 13, 1997), 62 FR 38283 (Feb. 21, 1997) [File No. SR-NSCC-96-19], and 40740 (Dec. 3, 1998), 63 FR 67962 (Dec. 9, 1998) [File No. SR-NSCC-98-10].

with appropriate regulatory and self-regulatory organizations.

NSCC believes that the proposed rule change is consistent with Section 17A of the Act⁶ and the rules and regulations thereunder because by eliminating rules pertaining to an obsolete and dormant service, while preserving its right to share clearing fund data with appropriate regulatory bodies, NSCC's rules will more accurately reflect the services it provides to its members.

B. Self-Regulatory Organization's Statement on Burden on Competition

NSCC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

NSCC has discussed the proposed rule change with Participating Clearing Entities but has not solicited or received written comments relating to the proposed rule change. NSCC will notify the Commission of any written comments it receives.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(4)⁸ thereunder because it effects a change in an existing service of a registered clearing agency that does not adversely affect the safeguarding of securities and funds in the custody or control of the clearing agency or for which it is responsible and does not significantly affect the respective rights or obligations of the clearing agency or persons using the service. At any time within 60 days of the filing of the proposed rule change, the Commission may

summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
