specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

1. Purpose

The Exchange proposes to extend the waiver of all transaction fees for shares executed on the MatchPoint system, which will be effective from February 1, 2010 through March 31, 2010. The NYSE 2010 Price List will reflect this extension of the fee waiver.

Background

On January 7, 2009, the Exchange filed with the Securities and Exchange Commission ("Commission" or "SEC") a proposed rule change to adopt a temporary equity transaction fee for shares executed on the NYSE MatchPoint system, effective until February 28, 2009.⁴ The temporary equity transaction fee was extended numerous times since the original filing⁵ and it was in effect until January 7, 2010. On January 7, 2010, the Exchange proposed a transaction fee holiday waiving all MatchPoint transaction fees under the temporary equity transaction fee

schedule until January 29, 2010 ("transaction fee waiver"). Each such filing was effective upon filing pursuant to Section 19(b)(3)(A)⁷ of the Act and subparagraph (f)(2) of Rule 19b-4.⁸

The Exchange believes that an extension of the transaction fee waiver will continue to induce users to enter more single-sided volume⁹ into the MatchPoint system, which benefits all participants in MatchPoint, since it increases the likelihood of a match during the matching sessions (i.e., intra-day and after hours matching sessions). The transaction fee waiver will apply to all Exchange members that access MatchPoint. Through this fee filing, the Exchange is seeking to extend the temporary transaction fee waiver from February 1, 2010 through March 31, 2010.

It is intended that new MatchPoint transaction fees will be in effect on or before April 1, 2010, after the transaction fee waiver terminates. The new transaction fees will also provide incentives for adding volume to the MatchPoint system.

2. <u>Statutory Basis</u>

The basis under the Securities Exchange Act of 1934 (the "Act")¹⁰ for the proposed rule change is the requirement under Section 6(b)(4) that an exchange have rules that provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Exchange believes that an extension of the fee waiver for all

Executions in the MatchPoint system occur when buy and sell interest in a security is entered on a matched basis (both buy and sell sides submitted together) or when interest submitted in the system by one user matches against contra side interest submitted by another user.

MatchPoint executions is reasonable in that it provides a significant incentive for users to add volume into the MatchPoint system. Adding volume to the MatchPoint system will increase a user's likelihood of obtaining an execution. Increased volume and trading activity will improve the overall market for customers. The transaction fee waiver is also designed to make the system more competitive, which will further improve the quality of the market and benefit customers. Finally, the transaction fee waiver is equitable because it is available to all Exchange members that access the MatchPoint system, and it applies to all MatchPoint executions. The extended fee waiver will be in effect from February 1, 2010 until March 31, 2010.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others</u>

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action
