

SECURITIES AND EXCHANGE COMMISSION  
(Release No. 34-82325; File No. SR-NYSE-2017-67)

December 14, 2017

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Rule 300

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”)<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that on December 11, 2017, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 300 (Trading Licenses). The proposed rule change is available on the Exchange’s website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those

statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

NYSE Rule 300(b) currently provides that, in each annual offering, up to 1366 trading licenses for the following calendar year will be sold annually at a price per trading license to be established each year by the Exchange pursuant to a rule filing submitted to the Securities and Exchange Commission (“Commission”) and that the price per trading license will be published each year in the Exchange’s price list.

The Exchange proposes to delete the phrase “each year” in the first and second sentences of Rule 300(b) and the phrase “established for that year by the Exchange pursuant to section (b) above” in Rule 300(b)(i).

The Exchange establishes its fees for trading licenses pursuant to separate proposed rule changes. The last time the Exchange amended its trading license fee was on July 1, 2016.<sup>4</sup> Because the NYSE Price List sets forth this annual fee and is continuously available on the Exchange’s website, the Exchange believes it is redundant to make a separate proposed rule change under Rule 300(b) to “establish” a trading license fee even if the fee is not changing. The Exchange believes that amending Rule 300(b) by deleting the proposed text would relieve the Exchange of the need to make a

rule filing with the Commission in those years when the fee would remain the same, and only require a rule filing when the Exchange is changing the amount of the fee set forth in the NYSE Price List. The proposal is consistent with the way the Exchange handles the other fees set forth in its Price List. The remaining requirements of Rule 300 would remain unchanged.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>5</sup> in general, and Section 6(b)(5) of the Act,<sup>6</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. In particular, the Exchange believes that the proposal removes impediments to and perfects the mechanism of a free and open market and a national market system by eliminating redundant annual rule filings when the Exchange is not changing its fees. The Exchange further believes that the proposal removes impediments to and perfects the mechanism of a free and open market by reducing potential confusion among market participants and the investing public who may see a rule filing and mistake it for a fee change when in fact a fee is not changing. For these reasons, the Exchange believes that the proposed rule filing would not be inconsistent with the public interest and the protection of investors because

<sup>6</sup> 15 U.S.C. 78f(b)(5).

investors will not be harmed and in fact would benefit from added clarity and consistency, thereby reducing potential confusion.

For the foregoing reasons, the Exchange believes that the proposal is consistent with the Exchange Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather eliminate the requirement for a rule filing that would not change any fees and that could cause potential confusion that fees may be changing in a year when they are not.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup> Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the

Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>9</sup> and subparagraph (f)(6) Rule 19b-4 thereunder.<sup>10</sup>

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act<sup>11</sup> normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)<sup>12</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange believes that waiver of the operative delay is consistent with the protection of investors and the public interest because it would reduce potential confusion, without delay, by eliminating the requirement for the Exchange to file a redundant proposed rule change that does not change a fee. The Commission believes the waiver of the operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal operative upon filing.<sup>13</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the

<sup>10</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)<sup>14</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.
