June 27, 2019

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Delete Provisions in Section 141 of the NYSE American Company Guide that Grant the Board Authority to Defer, Waive or Rebate Annual Fees for Listed Equity Securities and Bonds and to Eliminate Obsolete Provisions

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that on June 18, 2019, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Section 141 of the NYSE American Company Guide (the “Company Guide”) to delete: (i) provisions granting the board of directors of the Exchange, or its designee, discretion to defer, waive or rebate all or any part of the applicable annual listing fee payable with respect to a listed class of equity securities or a listed series of bonds; and (ii) references to fee provisions that are no longer applicable, as those fees were superseded as of January 1, 2019. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Section 141 of the Company Guide includes provisions granting the board of directors of the Exchange, or its designee, discretion to defer, waive or rebate all or any part of the applicable annual listing fee payable with respect to a listed class of equity securities or listed bonds under that section. The Exchange has not exercised this discretion since it was acquired by NYSE Euronext On October 1, 2008, and does not believe that it is possible to do so in a manner that would be transparent and fair to all listed companies. In the absence of this possible exercise of discretion, all similarly situated listed companies will be treated the same with respect to the annual listing fees they are charged. For these reasons, the Exchange proposes to delete these provisions from Section 141.

The Exchange also proposes to make non-substantive updates to the text of Section 141 to remove references to the annual fees for equity securities that were in effect prior to January 1, 2019, as those fees are no longer applicable.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(4)⁵ of the Act, in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges. The Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁶ in that it is designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes that it represents an equitable allocation of reasonable fees and is not unfairly discriminatory to eliminate its discretion to defer, waive or rebate all or any part of the applicable annual fee owed by an issuer under Section 141. In that regard, the Exchange does not believe that it is possible to utilize this discretion in a manner that would be transparent and fair to all listed companies.

The proposed removal of text relating to fees that are no longer applicable is ministerial in nature and has no substantive effect.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The

market for listing services is extremely competitive. Each listing exchange has a different fee schedule that applies to issuers seeking to list securities on its exchange. Issuers have the option to list their securities on these alternative venues based on the fees charged and the value provided by each listing. Because issuers have a choice to list their securities on a different national securities exchange, the Exchange does not believe that the proposed amendment imposes a burden on competition. Furthermore, removing the Exchange's authority to waive annual fees will ensure that the costs of listing on the Exchange will be transparent and consistent, which will facilitate price competition among listing venues and therefore will not impose any burden on competition.

The proposed removal of text relating to fees that are no longer applicable is ministerial in nature and has no substantive effect and therefore imposes no burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

⁸ 17 CFR 240.19b-4(f)(6).

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)⁹ of the Act to determine whether the proposed rule change should be approved or disapproved.
