November 16, 2020

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Change Amending the NYSE American Options Fee Schedule regarding an Incentive Program for Floor Brokers

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on November 10, 2020, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE American Options Fee Schedule (“Fee Schedule”) regarding an incentive program for Floor Brokers. The Exchange proposes to implement the fee change effective November 10, 2020.⁴ The proposed change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

⁴ The Exchange originally filed to amend the Fee Schedule on October 30, 2020. (SR-NYSEAMER-2020-78) and withdrew such filing on November 10, 2020.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to modify the Fee Schedule to eliminate an incentive program that was designed to encourage Floor Brokers to increase their billable volume (the “Rebate”). The Exchange proposes to implement the rule changes on November 10, 2020.

Currently, the Exchange provides a \$35,000 Rebate each month that a Floor Broker organization achieves the requisite minimum average daily volume (“ADV”) of billable contracts.⁵ To qualify for the monthly Rebate, a Floor Broker must execute the greater of:

- (i) 75,000 contract sides in billable ADV or
- (ii) 150% of the Floor Broker’s total billable ADV in contract sides during the first half of 2019 (i.e., January - June 2019).⁶

⁵ See Fee Schedule, Section III.E.2., Floor Broker Billable Volume Rebate (the “FB Billable Volume Rebate”).

⁶ See id. The calculation for billable ADV applies to manual executions and QCCs, but excludes any Customer volume and non-billable Professional Customer QCC volume, Firm Facilitation trades, and any volume calculated to achieve the Firm Monthly Fee Cap and the Strategy Execution Fee Cap, regardless of whether either of these caps is achieved. See id.

The Exchange adopted the Rebate—a voluntary program—in June 2020 to encourage Floor Broker organizations to execute billable volume on the Exchange.⁷ However, because the Rebate program is underutilized (and therefore did not achieve its intended effect), the Exchange proposes to eliminate the Rebate program from the Fee Schedule.⁸

The Exchange believes that the elimination of the Rebate would impact some firms that would no longer receive this benefit; however, given that the Rebate was underutilized, the Exchange believes that most Floor Brokers firms would not be impacted by its removal.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁹ in general, and furthers the objectives of Sections 6(b)(4) and (5) of the Act,¹⁰ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes that the proposed rule change to eliminate the Rebate from the Fee Schedule is reasonable because this program is underutilized and has generally not incentivized Floor Broker organizations to bring liquidity and increase billable manual executions on the Exchange. The Exchange believes eliminating an underutilized incentive program would simplify the Fee Schedule. The Exchange believes that eliminating the Rebate program from the Fee Schedule is equitable and not unfairly discriminatory because the program

⁸ See proposed Fee Schedule, Section III.E.2. (held as “Reserved”).

would be eliminated in its entirety and would no longer be available to any Floor Broker organization.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act, the Exchange does not believe that the proposed rule change would impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Instead, as discussed above, the Exchange believes that the proposed elimination of the Rebate program from the Fee Schedule would not affect intramarket or intermarket competition because the Rebate has not incentivized Floor Broker organizations to add liquidity or increase billable manual executions on the Exchange. Because only those Floor Brokers that met a minimum monthly volume were eligible to earn the Rebate, the proposed elimination of the Rebate would remove a potential burden on competition in that it would level the playing field for all Floor Broker firms operating on the Exchange.

The Exchange operates in a highly competitive market in which market participants can readily favor one of the 16 competing option exchanges. In such an environment, the Exchange must continually adjust its fees and rebates to remain competitive with other exchanges and to attract order flow to the Exchange. The Exchange believes that the proposed rule change reflects this competitive environment because it removes an underutilized Rebate that did not achieve its intended purpose of attracting order flow.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹¹ of the Act and subparagraph (f)(2) of Rule 19b-4¹² thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹³ of the Act to determine whether the proposed rule change should be approved or disapproved.
