.95 For purposes of paragraph (c)(3) above, the submission of an electronic report containing data elements sufficient to provide an electronic link of the execution of the facilitated order to all of the underlying orders has a delayed implementation date of [July] December 31, 2010. For the period between the approval of paragraph (c)(3) above and such delayed implementation date, member organizations must have in place systems and controls that allow them to easily match and tie riskless principal execution on the Exchange to the underlying orders and that they be able to provide this information to the Exchange upon request.
